Opposed to Bellamy's Teachings.

At King Street Presbyterian Church last evening Rev. Walter Roger took as his subject "Socialism, Nationalism and Christianity." He repudiated socialism on the ground that it excluded all social ties as well as religion. In Bellamy's scheme of nationalism the speaker saw few points to recomment it. Religion had brought about all the reforms at present enjoyed and would be the means of procuring any that might be obtained in the future. Man's nature, the reverend gentleman thought, was not such as to admit of the state so tondly hoped for by Bellamy. Mr. J. R. Allen, upholsterer, Toronto sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles and Kidney Complaint. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got, and before one bottle was used the benefit she derived from it was beyond our expectation."

Among the pains and aches cured with marvelous rapidity with Dr. Thomas' Eclectric Oil, is ear-ache. The young are especially subject to it, and the desirability of this Oil as a family remedy is enhanced by the fact that it is admirably adapted not only to the above ailment, but also to the hurts, disorders of the bowels, and affections of the throat, to which the young are specially subject.
