SENSATIONAL SUICIDE.

Deliberate Self-Murder of a Couple in Central Park, New York.

NEW YORK, July 21 .- Julius De Marcus, aged 30, of this city, and Juliette Fournier, aged 17, of Brooklyn, committed suicide by agreement in Central Park last night. Marcus had a bullet wound through the center of his forehead. He was lying prostrate across the woman, who was shot directly in the center of the breast. Marcus had a revolver in his band. Two of the chambers were empty and three still loaded. The blood from the man's head had run down and stained the woman's face and clothing.

A letter in French, written by the dead woman to her father, read as follows:

"Dear Papa,-I make bold to give you this letter once more, because it is the last time you will hear from me. When this reaches you I shall be dead. I die happy. It is no one's fault. Forgive me the misery I have caused you, also the last blow. Your little daughter, who loves you, "JULIETTE FOURNIER."

A precisely similar letter was written by the suicide to his mother, dated Brook lyn, Aug. 20, 1894.

A letter addressed to the authorities of the city of New York, which was evidently written by Marcus and was signed by both, requested that no inquest be held on their bodies and that both be buried in one

The girl was 17 years old, and was married to her uncle, who is 40, ten months ago. She told her neighbors she was unhappy with her husband because of the disparity in their ages. Recently De Marcus came from Utica, where he acted as an insurance agent. They had been lovers before Mrs. Fournier's marriage.

Dr. E. A. Rose Disappoints the Doubters-He Once Had Diabetes, But Has It No More-Attending to His Big Practice.

PORTLAND, Ont., Aug. 20 .- The account which appeared in many Canadian papers a few months ago of Dr. E. A. Rose having been cured of diabetes by Dodd's Kidney Pills, attracted widespread attention at the time. Many doubters, though, protested that the cure was not a permanent one. The best proof that these doubters were wrong is the fact that for a year back, Dr. Rose has been attending to his practice, which was always a large one, in this village and the surrounding country, and has never had any return of the disease. His health is first-class, and the doctor is not compelled to take any of the precautionous as to diet or otherwise, that are always ordered for people threatened or troubled with dia-

# The City

For Rental of Polling Booths Fixed by the Sheriff.

The Fair Board and Labor People at Loggerheads

Over the Use of Queen's Park on Labor Day-The Council Will Try to Effect an Agreement-An Insubordinate Inmate of the Aged

Woman's Home.

The City Council held a special meeting last night and managed to get through a great deal of general business. The members present were: Mayor Essery, Ald. Taylor, John Heaman, S. O'Mears, W. C. Coo, Wm. Heaman, Thomas Jones, Maurice Scarrow, James Fitzgerald, Joshua Garratt, F. Fitzgerald, H. Dreaney, George Shaw and City Clerk Kingston.

The city solicitor handed down his opinion of the city's Hability for the pay-ment of the rental of the recent polling booths fixed by Sheriff Cameron. The document was lengthy, and among other things the solicitor stated that the provisions of the Election Act affecting the question were very badly drawn and observely worded, and it was very difficult on that account to reconcile the readings of the act. In conclusion he wrote: "The whole question is by no means free from doubt, and it is impossible to say with any certainty what view the courts may take, but I am inclined to think that the courts may hold that the city is bound to pay for the polling places fixed by the returning officer."

WHO OWNS THE RACE TRACK ? J. M. Johnston, of the trades and labor demonstration committee, wrote stating that the executive committee of the fair board had refused to allow hose reel competition on the track at the coming Labor Day demonstration. This event had been advertised, and if they were not to be allowed to carry out their programme they would be charged with breach of faith. Mr. Johnston was heard, and said that the fair board had refused on the principle that they had not allowed others to cut up the track, and it would not be fair to allow them to. He said that the committee had offered to guarantee that the track would be left in

good repair.

Ald. Taylor said that the city had no control of the track. They might pass a resolution requesting the board to grant its use. Even then they might ignore the request.

Crippied for some time as a result of a sovere cut inflicted on his leg while using a knife carelessly. The blade penetrated quite deep. Several stitches were taken in dressing the wound.

John H. Moore, for the last 25 years a resident of Windsor, is dangerously ill at his home.

Mayor Essery said that he was willing that the city should make good any damage to the track. The Western Fair board did not own the ground, and he wanted to know if the members were jealous of the labor people, or if they had descended to the level of a jockey club. The hose reel tires were wide and would do no damage.

Ald. Garratt moved that the council ask answer is awaited. the fair board to grant the request. Ald.

Whiskard's and chairmen of the various committees be a committee to wait on the executive of the fair board and try and induce the members The W. C. T. U., Chatham, fair board and try and induce the members to change their minds. Ald. Thos. Jones seconded.

Before the question was put Ald. Dreaney arose to impress on the aldermen the fact that a thousand hose reels could not make the track worse than it is at present. It

was worse than a concession road. Then Ald. O'Meara poked fun at Ald. Dreaney by saying that it was no wonder the track was cut up from the number of 'plugs" that were driven over it.

Ald. Dreaney arose in his place and gravely stated that he had a colt he would not trade for Ald. O'Meara's team.

Ald. O'Meara would have nothing to do with a colt that would let a bicycle beat it in a race, and so the horse dickering dropped. Ald. Wm. Heaman's amendment carried,

and the committee will wait on the fair marshes along the Detroit River and Lake board at a special meeting on Thursday afternoon at 2:30.

The annual union picnic of the Sunday schools of Florence and adjacent parts came off on Wednesday last and was attended by between 3,000 and 4,000 people, assembled in Mr. Gunn's grove, just outside the village limits. A happy feature of the event was the march of the children of the various schools and their officers and teachers from the village to the grove, headed by the Florence brass band. With banners and streamlets flung to the breeze it was indeed a novel sight to the many interested spectators along the route. Excellent addresses were delivered at the grounds for those who sought "the feat of reason and flow of soul," by Revs. Fansher, Iler, Davison and Holmes respectively, while others patronized the merry-go-rounds, swings, booths, etc. Rev.
