TORONTO HORSE SHOW. The Toronto Horse Show closed on Saturday. The attendance at this exhibition was the largest in years. The high jumping contest awakened the greatest enthusiasm. Mr. Adam Beck, of London, had Lord Ranelagh entered against five horses exhibited by Mr. George Pepper-Pearl, My Fellow, Your Fellow, Glenmore and John Col-The trial commenced with a jump of four feet six inches, and all of the horses negotiated it easily. The height was raised gradually until it was at six feet, then each horse was allowed five trials. Three of the horses took this jump, and the height was raised to six feet three inches. Lord Ranelagh tried it, but fell on the NON-ASSESSABLE. hurdle, smashing the heavy planks and throwing his mount. Mr. Beck's rider pluckily made another effort, and on the fifth and last trial the handsome gelding cleared the jump like a bird and won the red ribbon. Glea-more won the second prize and My Fellow the third. The popular feature of the afternoon performance was the exhibit of the ladies' hunters. A special prize had been offered for hunters, up to carrying 150 pounds, ridden by ladies. The riding in this class was exceedingly clever, and the judges had a difficult task in finding the best horse and the best rider. Miss L. Janes rode Bimba; Miss Gibbons, of London, Heath; Mrs. Agar Adamson, Headlight; Miss Hendrie, Veto; Miss Helen Beardmore, Cockatoo; Mrs. J. K. Kerr, Rufus; Miss Haney, Cricket, and Miss Constance Beardmore exhibited Raven and Valiant.

London horses captured prizes in the following classes: High jump, horses not clearing five feet ineligible for a prize-Adam Beck, London, Lord Ranelagh, 1; G. Pepper, Toronto, Glenmore, 2; G. Pepper, Toronto, My Fel-

Louisville, May 1.—Sunday bicycle racing was inaugurated in this city on the Fountain Ferry track, under the auspices of the National Cyclists' Association. Eddie Bald acted as the starter. He has not yet rounded into racing form, and the same may be said of some of the other top-notchers. Tom Cooper qualified in the first heat of the mile open, but finished fourth in the final, while in the mile handicap, starting alone from scratch, he was unable to catch the bunch, and dropped out after two laps. The best race was the motor tandem event for two miles between McFarlane and Stevens and Houseman and Rutz. The two teams alternately led to the stretch, where in a desperate sprint Houseman and Rutz beat their opponnets by narrowest kind of a margin.

A Young Woman Commits Suicide in the Palmer House, Chicago.

Chicago, April 30 .- Standing before a mirror in her room at the Palmer House, Minnie M. Wray, a beautiful young woman, shot herself through the head with a revolver. Scraps of a torn letter found in the waste basket and put together said the writer wrecked too many lives already, and must cease." Miss Wray came to the hotel last Friday, gave the name "Miss L. Graves" to the clerk, who registered for her, and when asked for her address responded that Chicago would do as well as any. While she entered the hotel attired attractively, and wearing a number of diamonds, nothing was found in her room but a coars black wrapper, which she wore when she killed herself. She left a note to the management of the hotel, directing them to take the money from her pocketbook to settle the hotel bill. She requested especially that no effort be made to find her relatives. Later it was learned that she had on Saturday sent her trunk to A. N. Ohler, at Moline, Ill. He is the cashier of the American Express at that place. She also wrote to him the same day, telling of her intention to kill herself.

Ohler received the letter yesterday. He called up the Palmer House by telephone, thinking he might preven the suicide if he could communicate with Miss Wray. Unable to make the Palmer House clerk understand him, he gave up in despair. A few hours later he was told of her suicide. Mr. Ohler said he had known Miss Wray for ten years, but knew nothing of her

On the dresser in her room in the Palmer House there were bloodstains, showing she had stood before the mirror to take aim.

AGONIZING STOMACH

Dear Sirs,-I know a business m east side of town who has for years been ailing and suffering agonizing pains in the stomach. The doctors from Prof. Jacoby down to others by the dozens, could neither effect a cure no could they even tell what the malady was. He, a few years ago, crossed the Atlantic to consult German doctors, without result. I used to call at his store every few months and heard his tale of woe. He said while ill he was never able to retain his food, and at certain times of day he was attacked with an agonizing pain which lasted an hour or so, when he acted as a madman, breaking chairs, etc., and having to give up business for the time being. Food never stayed in his stomach longer than half an hour. Yesterday, after a lapse of eighteen months, I called again, and to my surprise he was still alive and looking well. I asked after his health. He said he has been well for over a year and has gained 40 pounds in weight. I wanted to know what doctor had cured him. This is what he told me: About a year ago or ever a man came to his store telling him he had been sick very much the same as he was for some time, and tried Radway's Pills, which quickly cured him. He at once decided to use the pills. The druggist did not have any, and tried to give him another kind, but as he insisted on Radway's, they were procured for him the next day, He only took one at night and he immediately felt better. He kept up for a time to take the pills, and from the first day to this day his malady never returned.
