authorities. Even greater in importance is the social service—the educa tive work which they perform among the poor and unfortunate. They instruct the women of the household in hygiene and the care of children, they teach mothers how to feed their babies and often become the friends and advisers of half a dozen families.

"It is easily seen that this sort of werk requires a broad human sympathy, a tact and a sense of humon which, while not absolutely essential in hospital or private nursing the highy important to the Victorian work,

Serve in Training School. "We require our candidates, in addition to having completed their course in a recognized training school, to serve for some months in one of our training schools at Toronto, Ottawa or Montreal In this way we are able to determine whether or not they possess the peculiar qualifications for our work. Any girl who does not show patience, sympathy and tact cannot be accepted as a member of the order

We, of course, recognized that the ship was under a foreign flag; but the lives of many of our countrymen had been sacrificed, and the safety of many had been put in grave peril and this year the Duchess of Connaught will head a new subscription and the work. She hopes to have the property of the work of the work of the work of the work. use the interest accruing from this for the strengthening and advancement of the order wherever the need may greatest. It is likely that much of the future expansion will be in the west, as it has been found that many women in need o fexpert care are unable to reach the hospitals in the towns and cities. A proposal for the establishment of rural districts, comprising 25 or 30 square miles, is under consideration, and there will be at least one place in each district where a serious case can secure hospital care and attention. The nurses will visit the homes just as they do in the cities, and it is the aim of the order to extend the benefits of access to trained nursing to every family in the prairie

LOCAL NEWS

-The shoe stores in this city will close at 1 o'clock tomorrow afternoon. The King's Birthday.

While all the banks in the city have not as yet received advice from the head offices, it is altogether likely that next Monday, June 3, the King's birthday, will be observed as a holiday in financial circles in London.

Row in Hotel.

Two Polacks became involved in a rather serious row at the Bank Hotel this afternoon, as a result of which other is under arrest at th epolice station charged with assault. Breach of Creamery Act.

A Delaware farmer was fined \$5 and costs by Squire Chittick this morning for a breach of the creamery He made butter in the cellar of his house nad labelled it creamery butter, whereas by the act creamery butter must be made in a separate building.

Death of Mrs. John White. Mrs. Eliza Hale White, wife of John White, died at her late residence, London Township, this morning after a brief illness. The late Mrs. White was in her 63rd year. The funeral, which will be private, will be held from her late residence on Thursday afternoon to the

A quiet wedding was performed at the Hamilton Road Presbyterian Church on Wednesday, May 15, when Miss Mabel Miles was united to riage to Mr. Edward Warren, both of this city. The ceremony was perormed by Rev. John Smith. Mr. and Mrs. Warren will reside on Dellabough street, this city.

Mrs. John J. Downey, New Glasgow, N.S., writes:—"Just a few lines to let. you know what your Milburn's Heart and Nerve Pills have done for me. I was troubled with weakness and palpitation of the heart, would have severe choking spells, and could scarcely lie down at all. I tried many remedies, but got none to answer my case like your Pilis. I can recommend them highly to all having heart or nerve troubles." Price 50 cents per box, or 8 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

MARRIAGE CASE IS COMPLICATED

Court and Counsel at Sea as to Instructions of the Orders.

LAFLEUR'S ARGUMENT

Believes Power to Enact General Marriage Law Rests With the Federal House.

[Canadian Press.]

Ottawa, May 28 .- Continuing his argument for the promoters of the Lancaster marriage bill, and the ques tions referred to the supreme court by Parliament, Mr. Eugene Lafleur K. C., this morning before the cour said that he desired to draw attention to several statutes relating to the conferring of powers to perform marriage in the Province of Quebec. "How is power to be expressed that never was conferred?" asked the chief

"My submission is that these statutes conferred by implication the power to marry," replied Mr. Laffeur. None of the congregation were authorized to celebrate marriages, although authorized to keep registers. "How?" asked the chief justice.

"Issuing the act of 1795." "What about the years from 1759 to 95? No legislation validated the arriage of Roman Catholics." "Surely the English Government an adult book. overed the Anglicans," observed Jus-

Catholics," said the chief justice.

The Act of 1795. "Research would surely reveal that such instructions would be given," Justice Idington remarked. 'None unless the act of 1795," Mr.

Lafleur responded. "But anterior to this?" Sir Charles "I can't find it anywhere," Mr. La-classics were not, and that it was the fleur replied. "It may have been the duty of parents to contribute to

this Government's instructions, but I am not certain." whole matter to the Government." Justice Idington: "It might be implied by treaty.

Governor Murray regarding the classes was read by Mrs. Plum Church of Scotland, which validated The work of this committee is uest of Canada in that church. Mr. Justice Duff stated that

after the Quebec act was introduced?" he asked. "Then the effect would be to abolish clear idea that the legislation intended to confer some power.'

HORSE DROPPED DEAD

Ave., Injured While Riding in the Country.

during the past few days, and as a result, two of the members are nursing painful injuries, while the third is recovering from a ducking received

during one of the runs. On Friday the club had a run. Mr. William Smith, of 40 Empress avenue, was riding his big brown hunter. The animal appeared to be in good fettle, when suddenly it dropped dead, throwing Mr. Smith under it. Mr. Smith was badly crushed about the knees and lower portion of his legs. He was extricated by his friends. Mr.

Smith will be around shortly. Mr. J. E. Smallman is also suffering from a dislocated knee, caused by his horse "coming a cropper" when taking deavor to promote the observance of fence. He will be confined to his

louse for a week. A horse is about as dangerous as a canoe according to the experience of Mr. A. H. Marshall Graydon, another member of the Hunt. He was enjoying a ride recently, when it became necessary for him to ford a stream. He turned his horse into it. but unfortunately struck a deep hole. and he was thrown into the Thames. The animal swam one way, and Air Graydon had to swim to the other shore, which he reached with some difficulty. Late his horse was carused, and Mr. Graydon burgled home change his wardrobe.

SAY CONDUCTOR WAS TO BLAME FOR NOISE BURGLARS BUSY

Service Was Interrupted By Locomotive.

[Special to The Advertiser.] Ingersoll, May 27.—A C. P. R. conductor who allowed his train to be hunted for about fifteen minutes last lieved to be yeggs from across evening while service was being held in border St. Paul's Church, but a few yards disant, will be haled into the police court. The noisy locomotive seriously interrupted the service, and as the difficulty an old one the conductor will have to answer a charge of disturbing divine

'Who will win the championship of the otbail league?" This is the one question that is now being asked by these the have been keeping in touch with he town legge situation. Noxons, who last year captured the ecveted silvereare, have been showing good form this grason, and are the favorites of many nthusiasts for the championship The caver-Benkers have also wen some lubbern games, as have also the Ellis Merrow Company, so it would seem that an exciting finish is ecrtain, with clenty of seeps for there of speculative rocityH'es.

by other means than through the post

Librarians Commended The work of librarians was com-

mended special mention being made of London's public library and the -c ?forts being made by Librarian Carson and his assistants to promote the reading of pure literature. In Westmount, Montreal, it was stated that the chill dren's department was kept entirely separate from adult literature, and that a child had to present a written order before he or she could obtain

In the discussion that followed Mrs Huestis took exception to this method "I am speaking only of the Roman as it would prevent children reading the classics, and reports of librarians went to show that as a rule they chose some of the best standard authors. Mrs. Sherk, of Port Arthur, advocated the providing of the hon. with a good newspaper. She stated that in some homes the newspapers were read where the Bible or the classics were not, and that it was the of the treaty, and it may be in newspaper of a high standing.

Mrs. Cochrane, of Kingston, spoke of the distribution from house to house Justice Duff: "Governor Murray's of medical pamphlets containing readinstructions seem to me to reserve the ing unfit for the young, and Mrs. Hues. tis also urged the necessity of censorshop of posters.

The report of the standing commit Mr. Lafleur referred to the order of tee on the care of the dependent before the con- gather information concerning those who become dependent upon the comin munity for care or support. Instances hurches of England there is a tablet were cited of old men and women beof instructions regarding the keeping ing placed in institutions or becoming of registers, but there was no refer-ence to marriages at that time. "How thropic institutions, whose children could the English common law persist children might be expected to provide for themm. This the council seeks to prevent. Another branch of the worl "Then the effect would be to about a shelter for destitute anything emanating from the French aged men and women, where husband king and to vest it in the English king," Mr. Lafleur stated. "I have a last years of their lives. is to provide a shelter for destitute

Mrs. Savage also read several acounts of cases where sons and daughers shifted the support of parents onto the community, and referred to one or two cases in Toronto which had claimed public attention there recently It was also stated that an old Elizacompelling support of parents by children was although it had become practically

buried by time.
Waited on Government. Mrs. Cummings, convener of the national committee, stated that a deputasaid that often unmarried daughters ing Summer." Besides

Miss Ritchie, and others, took part. Some difficulty arose over changing the name of this standing committee and a lengthy discussion lowed, which finally resulted in this resolution being carried upon the motion of Mrs. Huestis. "That the name be changed to the committee for the care of the aged and infirm poor." Mrs. Courtice, convener of the peace

and arbitration committee, read the report by which it was urged that the National Council of Women an onnual peace day in schools, universities and churches, and hold erences between nations. "The Hague Mrs. Courtice stated. Hardware Company. parliament," Resolutions were carried to the effect that inconsideration of the hundred Jack, accompanied by Mr. Samuel peace between the United Sercombe, of Lorne avenue, left Monvears' cil of Women co-operate cordially in three-months' holiday. plans that may be arranged that will tend to advance the cause of peace has been called to Erie, Pa., owing to among the nations of the world. All the death of his father. women of the National Council in every land are urged to aid in realizing this ideal.

SCORES MEET THEIR DEATH BY EXPLOSION IN THEATRE

Moving Picture Theatre in Small Spanish Town Burned Out Causing Death of Eight and Fatally Injuring Many Others.

Castelon-De-La-Plana, Spain, May 28,-The cinematographic explosion, which last night caused the death of 80 person in a moving picture theatre in the little city of Villareal, some miles south of here, in the same province, on the Mediterranean coast, was even

more terrible than first reported. The theatre was completely burned out, and very few of the audience escaped without injury from fire or from crushing in the panie, A large number of the injured are dying. Virtually every

family in the vicinity is affected by the 80 deaths.
