GIRLS! TRY IT!

Every particle of dandruff disappears and hair stops coming out.

Draw a moist cloth through hair and double its beauty at once.

Your hair becomes light, wavy, luffy, abundant and appears as soft, astrous and beautiful as a young girl's of the steamer James B. Colgate Fri-fter a "Danderine hair eleanse." Just day night in Lake Erie took a toll of Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse of the Colgans strand at a time. This will cleanse of the Colgate. the hair of dust, dirt, and excessive "The Colgate".

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25-cent bottle of Colgate was a staunch best and lots.

dispatches credited Capt. Crashaw with saying. I am sure that he was misquoted or misunderstood.

"Capt. Henry Hinslea, who will bring out the Sir Trevor Dawson, was in command of the Colgate until a few weeks ago. He told me today that the went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the gale Friday is \$325,—on the four steamers which went down in the ga weeks ago. He told me today that the of it surely get a 25-cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it. Save your hair! Beautify it! You will say this was the best 25 cents you ever spent.

weeks ago. He told me today that the Colgate was a staunch boat and he does not believe in the leak theory. She must have been overwhelmed by the weight of the seas. Dispatches we have received today say that the Colgate was not off Long Point, as reported but was 95 miles west south.

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY-TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

o see the tingle of healthy bloor your face, to see your skin get arer and clearer, to wake up witha headache, backache, ongue or a nasty breatu, in fact to el your best, day in and day out, just inside-bathing every morning for

Before breakfast each day, drink a real hot water with a teaspoonul of limestone phosphate in it as a parmless means of washing from the our bile and toxins; thus cleansing, weetening and purifying the entire limentary canal before putting more ood into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully in-

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate cleanses, sweetens, and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to con-stipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have there both looking and feeling better in every way.

TOLL OF ERIE GALE IS NOW FIFTY-ONE: MAY BE INCREASED

Wreckage on Lake Still To Be Explained.

19 LOST ON THE COLGATE

Bodies From the Merida Found Fifty Miles West of Long Point.

GODERICH MEN IDENTIFIED. TOLEDO, Oct. 23 .- Three of the bodies of the crew of the lost steamer Merida were identified tonight here. They are: Joseph O'Conne I, aged 43, engineer, Goderich; John Quigley, 40 Goderich, and Farrel J. Gallagher, oiler,

Whitechurch, Ont. Gallagher had been registered originally as from Cleveland, owing to the fact that he shipped on the Merida from that city.

DETROIT, Oct. 23.—With the reoodies of seven members of her crew all hope that the sturdy Canadianowned steamer Merida, of Midland, Ont. might have weathered the terrific gale "Black Friday" on Lake Erie has vanished. And the story of her pass-ing may never be told, for incoming hips at various Great Lake ports touay say they have seen nothing of any wreckage which might indicate, even approximately, when and how the

Merida went to her doom. Fifty-one lives have so far been een satisfactorily accounted for. day. All were removed to Sutton's tug, leaving the captain and

working remedy cured me entirely, and nave ever since stayed well." Mrs. Evans' case is but one of hun- afternoon. dreds that might be quoted. Nerviline is a specific for all nerve, muscular or oint pain. It quickly cures neuralgia, sciatica, lumbago, lame back, neuritis and rheumatism. Forty years in use, and today the most widely used liniment in the Dominion. Don't take anything but "Nerviline," which any dealer anywhere can supply in large, 50-cent, famly-size bottles, or in a small, 25-cent,

EIGHT GODERICH MEN LOST THEIR LIVES ON THE MERIDA

[Special to The Advertiser.]

GODERICH, Oct. 23 .- Goderich people were greatly shocked today when word was received that the steamer Merida had gone down with nine sailors from the town and surrounding country. The list contains Roddy McDonald son of Capt. Murdock McDonald, of the lifeboat crew; Angus Murray, son of John Murray; Angus Graham, Dave Corbett, also of town; Wm. Bogie, Joseph O'Connor, Jack Quigley, Wilfred Austin and Jack Callaghan. The last five all lived around Ashfield. All the men were well known around town. Two of the boys, Roddy McDonald and Angus Graham, had just joined the boat.

up a body from the steamer Colgate on Sunday night. The body was lashed to a life raft. Fishermen who went out today re ported finding large quantities of wreckage several miles out. Among other things found was part of a pilot-There was nothing to identify any of the wreckage.

FALKENHAYN'S GUNS DROVE RUMANIANS FROM PREDEAL PASS

Enemy's Batteries Stronger Than Ferdinand's.

STORY OF THE FIGHT

Correspondent's Account of Battle Passes Berlin Censor.

At the Head of Predeal Pass, Runanian Frontier, with Gen. von Falken--In yesterday's battle around Predeal to fearful bombardment of the opposing should be raised.

At the evening asion of Rumania. The men went at there was a discussion on the work of their work in almost a linear transfer of the profile of the tine with a sense of deep relief that the Germans and Hungarians here, officers and men alike, have left behind officers and men alike, have left behind sociologists there had told him the inneath.

Rev. A. Reakie, who had made a recent tour of Bolivia, made the statement that sociologists there had told him the inneath. them the trench warfare of other regions and thrown themselves into open field had been of a most demoralizing nature, manoeuvres against the Rumanians. It was scarcely believable that after wo years of strenuous life at the front mfantrymen should rush to the assault with songs, yet it is a fact, to which the universal feeling here of dealing with a fee who has yet to learn every much. Though the German and Hunnto the fire of Rumanian rifles and inachine guns they viewed the situation complacently, saying that the worst of pen field work was preferable to trenc hange virtually would make the troops he greater opportunity for initiative on act that after all the troops of Central Powers are best suited for manoeuvring, because of the trainin they have received along that line.

The Predeal sector is one of the fer correspondents, who are able to a oach within less than 3,000 yards skirmishing line, with the artiller

illery opened a desultory fire on the manian trenches on Susaiul Moun-5,000 feet high, which an hour later ched its maximum fury. The fire was trenches, some 500 feet below the sum mit. For a quarter of an hour the Ru manians stuck to their trenches, the of individual shell clouds. Word coming from the artillery spotters in the skirmishing line that the Rumanians nus far seemingly had not been im-ressed, the German artillery increased the fire so that a few minutes afterin a cloud bank. The Rumanian infanfied today as that of Charles B. Sut-life of Solon Springs, Wis., first broke across the slope like a swarm of be no strike of trainmen in Can- ants as the German and Hungarian infantry came in view. German artillery followed up the fleeing Rumanians with The company does not desire shrapnel, and the manner in which the
