TECS SMOTHER HURONS

HURONS LOST IN STORM OF ACES SET SCORING 24 HITS AND 17 RUNS

Calbert Takes Two Homers of Three Pounded Out-Londoners Fattened Averages Immensely.

SARNIA, June 14.-Buzz Wetzel's wrecking crew got to Winters in the sixth inning of today's game, the final of the series, and handed the Hurons the fanciest lacing they have received this year, burying the Piercemen under of 24 hits that cashed in for 17 runs, as compared to the 3 the Hurons grabbed off in the first stanza. Three home runs went over the fence, Hooker going the circuit unopposed once, and Calbert pushing two over the centre field fence. Had not Owen Kelly picked out the highest sign on the fence to hurdle, he would have been the fourth. Carmen was knicked nine hits. Hooker, who gathered in a perfet day at bat, grabbing off four of them. On the London outfit everybody hit with the exception of Malmquest.

They Grabbed Share, After seeting back the Cockneys in order in the first the Hurons went out and garnered three runs, Worley leading off with a double, scoring on Kelly's criple, the sacker in turn trotting home when Hooker pasted one over the fence. London got one run back in the second on a walk, a hit and an error, even ing up the count in the fourt with a home run, a double and a single. Calbert's second homer and seven consecutive singles in the sixth took all the interest out of the game, and added eight runs to the visitors' total, Hump sticking to his dugout and letting his pitcher take an unmerciful mauling before he sent Keifer in to stem the tide, which he accomplished Brooklyn in a so-so manager, holding the opposi-tion to eleven hits and eight runs while he toiled. The Tecs counted four wingo. one in the seventh, one in the eighth and one in the ninth. Carmen pitched a nice game after the first, but he was not compelled to show much stuff, in view of the mauling his teammates were handing out to the locals. Worley, at short, who gathered in ten assists in yesterday's game, again featured with his work in the short field.

There is one fact, aside from their playing ability which should help the local eleven, and that is the Scots have had some gruelling games in the cup series, and besides playing Davenport Albions last night, have Oshawa to dispose of Thursday evening. Public Utilities have had a good rest, and should jump into the preparatory workouts for the rest of the week with lots of zest. It should be a good game as both play fast junior soccer, verging on the intermediate brand.

Several players have also played more than the two senior games, they are permitted to play and still eligible for junior soccer.

Athletics Make Four Home Runs, But Lose To St. Louis.

Secretary Sim of the London and District received word from Secretary Muir of the O. F. A. last night that Public Utilities would meet the winners of the Oshawa-Toronto Scottish in London at Tecumsen Park Saturday afternoon in the O. F. A. cup competitions.

This will be one of the biggest soccer events for London this season, and attendance records for soccer games will be broken on Saturday.

Public Utilities is given more than an even chance by those familiar with the best teams in the O. F. A. for this cup, which is the ticket to the Connaught Cup series and the Dominion honors last year, so that Ontario teams' chances in this play are definitely known from dope as recent as this. This fact stamps the Ontario Cup competitions with the fastest brand of soccer played throughout the Dominion.

Toronto Scottish number on their roster a lot of former British First Division players, and are conceded a win over Oshawa in easy fashion, so that it is fairly safe to assume it will be Toronto Scottish for Public Utilities \$2,000, \$1,000 to be paid when the player reported. He reported and took and the one of the biggest soccer events for London this season.
