

TORONTO CLEANS UP AT C. W. A. MEET

Bill Coles, Local Rider, Wins Two Heats, But Is Unplaced in Finals.

WATERLOO, Ont., July 16.—Toronto riders and runners made a clean up at the annual meeting of the Canadian Wheelmen's Association, held in the Waterloo Park, Saturday. Bill Coles of London won his heat in each of the quarter-mile and five-mile races, but was beaten out in the final.

In the five-mile race the judges mixed things up by ringing the bell when four riders were in the lead, and some of the riders, after making another lap, turned in. Thinking the race was over, they were three more laps to go. It was an unfortunate mix-up.

William Whelple of the Toronto Central Y. won the 100 and 220 dashes, with Jack Hemphill of Waterloo, second in each case.

In the five-mile foot race Jimmy Dallow ran a head race and won by about 20 yards without a great deal of extra effort. It extended he could have won by more. Art Allison hung close until the final three laps, when he gradually pulled away from him. White was lapped, but kept on plugging and finished third, while Dallow was eighth when he was lapped.

The weather was very warm and the crowd quite small, but there were no other counter attractions in the afternoon.

LACROSSE OPENS WITH SAINTS HERE

Several Local Weak Spots Will Be Patched Up For Tilt.

The local lacrosse team will take on St. Thomas, winners of the group's first series, in the opening game of the second half Wednesday afternoon at Tecumseh Park.

So many times this season, the one-time stars of the national pastime have failed to get out and help the club, St. Thomas will depend on the local bunch who have stuck out on schedule to face the Saints on Wednesday.

There are two positions that the locals need filled, and there is a likelihood that these weak spots will be filled by Wednesday. If they are the Saints won't walk away with the pastime without knowing they've been in a lacrosse game.

The local defence will be tightened up considerably, as it is realized that the St. Thomas home is their strongest department.

CROWE AND NORTHOVER LEAD BISLEY COMPETITIONS

Capt. E. H. Robinson and Lieut. J. A. Clarke Tie for Graphic Cup

BISLEY CAMP, England, July 16.—(By Canadian Press Cable.)—The veteran marksman, Major C. R. Crowe of the First Wellington Rifles, Guelp, Ont., and Major Northover (unattached), formerly of Winnipeg, each with a total score of 67, led the Canadian Bisley contingent in the Graphic competition on Saturday. The shooting was on the 300 and 500 yard ranges, seven shots on each, making the possible 70.

Pte. Lonsdale made a possible on the first range, but let behind badly on the second range. Pte. Whitehead spoiled an otherwise good score on the 200-yard range by hitting a bullseye on the wrong target.

Two claims for higher scores in the Graphic competition are to be considered, but they do not affect the principal prize-winners.

Capt. E. H. Robinson and Lieut. J. A. Clarke, R.N.R., are tied for the Graphic Cup, and they will shoot off on Tuesday. Third prize goes to S. M. Dickman, Royal Garrison Artillery.

RECHTNER WINS HANDICAP TITLE

Anderson, Jr., Defeats Baird For Canadian Title.

TORONTO, July 16.—Frank Anderson of New York won the men's open singles title of the Canadian Lawn Tennis Association, Saturday, defeating Robert Baird, Toronto, in three straight sets, 6-3, 6-4, 6-3. The title was decided on the basis of the best three out of five sets. The first set was won handily by Anderson, who smashed everything that came within his reach quickly brought the score from 3-4 to 6-3. In the second set, however, Baird regained his usual good form and won the first three games, but Anderson came right back and forged ahead, only to have Baird again tie the count, 4 to 4. Anderson by heady work won the next two games, and with them the set. In the third set Anderson easily maintained his superiority, winning 6 to 3. The score mounted 2-0, 4-1. Baird on his service captured the sixth and eighth games, leaving the score 5-3 in Anderson's favor. In the final game Baird was ahead 40-love, but Anderson raised the score to deuce and succeeded in winning the game.

After winning the championship, Anderson and his father, F. G. Anderson, Sen., met A. S. Milne and G. Peers, Vancouver, in the finals of the men's doubles, and succeeded in defeating them 6-3, 6-2, 1-6, 5-7, 6-4.

In the final of the men's handicaps, single, Y. Rechtner of London defeated Ian MacLachlan, Toronto, 6-2, 9-7. In the semi-final he defeated D. C. Johnston, Toronto, 8-6, 8-5.

Mixed Doubles.
Miss Hutchings and Verley defeated Baird and Renwick 6-1, 6-3.
Miss MacDonald and Richards defeated Miss J. Stewart and Bruneau, 6-3, 6-0.

Men's Handicap—Semi-Finals.
Ian MacLachlan, Toronto, defeated D. Henderson, Toronto, 6-3, 6-2.

NEED ONE MORE PAIR.
Only one more entry is needed for the L. R. Scotch doubles, being staged Wednesday afternoon. The affair promises to be a very close one, as the best-known pairs in the city are entered.

CHINESE SLAIN BY THOUSANDS

Army Mutineers Sweep Through Country and City in Wave of Death.

LEADERS SHOT DOWN

SHANGHAI, China, June 15.—Missionaries and others in touch with the recent uprising of mutinous troops in Kiangsi province declare that the full extent of this horror may never be known.

A score of community centers were laid waste and thousands of innocent inhabitants were slaughtered ruthlessly. No foreigners, however, were killed.

The Kiangsi outbreak in the unrestrained looting of evil forces and the wanton slaughter and destruction is said to surpass anything of a like nature in the past decade.

The mutiny started among troops sent by General Wu Pei-fu to block Sun Yat-sen's advance into Kiangsi.

These forces, under Tsai Chen-Hsun, met defeat at the hands of Sun's southerners, and in their retreat a few got out of hand.

The fever of revolt spread quickly until between 10,000 and 15,000 men were involved. Some of the detachments shot down their leaders, who tried to keep them in check.

The mutineers swept over the country, looting, burning and killing, devastating towns and rural communities alike. The city of Kianfu was almost entirely wiped out and many hundreds of its inhabitants slain. The lives of upwards of 100 foreign missionaries were in peril, but all escaped.

The principal centers destroyed were the cities of Kianfu, Wanhsien, Lungchuan and Taiho, while upwards of 20 smaller communities also were damaged or wiped out.

RECOVER BODY OF EARL KANE

Firemen, After 6-Hour Search, Find Remains of Stratford Merchant.

Special to London Advertiser.

STRATFORD, July 16.—The body of Earl P. Kane, who was drowned in the river here while swimming about 2 a.m. Saturday, was recovered in a deep channel at 8:30 Saturday morning by firemen. He had then been in the water about six hours.

The deceased was a popular young merchant, and a son of Mr. and Mrs. Patrick Kane.

About 1:30, in company with Borden Norfolk and George Robinson, deceased went swimming behind the postoffice. They started for the diving board, 200 feet distant. As Norfolk climbed to the board he noticed Kane throw up his hands and sink. When he did not rise they immediately gave the alarm to the fire department.

The late Mr. Kane served overseas, enlisting with the 71st Battalion. He lost the sight of one eye, and was badly gassed. He was born in Stratford, and is survived by his parents, one brother, Edward, and two sisters, Susan, and Mrs. Mary Abraham, of this city.

THREE DIE WHEN STEAMER SINKS

VICTORIA, B. C., July 16.—The steamer schooner Henry T. Scott was sunk in the Straits of Juan De Fuca this morning, and three of her crew were drowned.

Crashing into the freighter Harry Luckenbach in a dense fog the Scott survived the collision only a few minutes, and the fact that 25 men were picked up by the Luckenbach is considered little short of miraculous.

The Luckenbach was able to proceed under her own steam after hours of cruising about in the fog searching for the three missing men. She arrived in Seattle at a late hour tonight. The accident happened off the northern coast of the State of Washington, six miles southeast of Cape Flattery.

DENIES TALKING TARIFF ISSUES AT WASHINGTON

Premier King Announces Trade Matters Not Up For Discussion.

EXPECT STRENUOUS WEEK

Cabinet To Meet Tuesday To Deal With Important Questions.

OTTAWA, July 16.—(By Canadian Press).—Four or more problems, in addition to the Rush-Bagot agreement, were discussed between the Canadian and American authorities during the visit of Premier King to Washington. This was made clear by the prime minister on his return to the city today.

These other questions included the fisheries on both coasts, the great waterways, Canadian representation at the United States capital, and reciprocal treatment of income taxation.

Besides these some other matters of minor importance were referred to during the conferences. The trade question was not discussed, stated the premier.

"It has been suggested," said the Canadian Press to Mr. King, "that your visit to Washington was a result of difficulties they are having over their tariff and that they called you in to help them."

"You can state definitely," was the reply of the first minister, "that we did not discuss the trade question at all."

Explains Revision Need.
The prime minister intimated that the need for a revision of the Rush-Bagot agreement grew out of changing conditions on the Great Lakes. The Canadian government had to deal, he said, with a number of applications for the passage of armed vessels through the Canadian canals. These were used for the training of naval militia on the lakes.

Further, United States shipbuilders on the great lakes wished to be allowed to compete for the construction of war vessels for the United States navy. These matters were bound to become of increasing importance, and it was deemed wise to take up the revision of the Rush-Bagot agreement as soon as possible.

The present was a suitable time, too, as the disarmament conference at Washington had created an atmosphere favorable to it. It was felt, also, that if the situation was allowed to develop further the demand was sure to arise from the Canadian side of the great lakes for the presence of armed vessels of our own.

Cabinet To Meet.
With the return of the prime minister from Washington, the way is cleared for a strenuous week in cabinet circles. Mr. King went up to his summer home at Kingsmere this afternoon, but will return to the city tomorrow. The cabinet has been summoned for Tuesday and will sit nearly every day this week.

In addition to the report which the premier will have to make on his visit to Washington, the cabinet is expected to deal with the railway question, the royal commission on returned soldier problems and a number of judicial appointments.

The minister of railways has announced that the appointment of a new board of management to the National Railways is necessary before the work of co-ordination can be completed and the reorganization of the Canadian government merchant marine carried out.

Much difficulty has been met in securing a judge to act as chairman of the royal commission on pensions and re-establishment.

The number of judicial vacancies to be filled has reached the half dozen and includes appointments down by the Atlantic and in Saskatchewan as well as in Quebec.

BOY WITH BROKEN SKULL TO RECOVER

Special to London Advertiser.

SOUTHAMPTON, July 16.—The condition of Wilfred Steinhoff, 12-year-old Southampton lad, who sustained a fractured skull when he was kicked on the head by a colt which he was leading to pasture, is very favorable and his ultimate recovery is expected.

The injured lad is in the General and Marine Hospital, Owen Sound, where he was taken following the accident.

Woman With Babe in Arms Swept Over Falls.

NIAGARA FALLS, N. Y., July 16.—An unidentified woman, said by some witnesses to have carried a baby in her arms, was swept to death over Niagara Falls tonight.

The woman either fell or leaped into the river at a point about 200 feet above the Goat Island bridge, and was rapidly carried out into the swift current.

Reservation policemen with pike poles tried to rescue her, but in vain.

On the bank were found a black straw hat, a scarf with the initial "S" and two handkerchiefs with the initial "L."

FASCISTI SEIZE ITALIAN TOWNS FROM RADICALS

Populations Hail Them As Liberators From Terror of Red Domination.

CHAMBER IN AN UPROAR

ROME, July 16.—An acute situation has developed from the struggle between the Fascisti and Communists. The Fascisti have mobilized their bands and occupied several towns where communism is rampant, the chief places taken being Viterbo, Cremona and Alatri.

The Fascisti complain that the government, although proclaiming its desire to re-establish order without partisanship, "in reality sides with the Socialists, who take advantage of this for resuming their overbearing attitude, as before they were organized."

For this reason the Fascisti say they have decided again to rely on their own forces.

In all the towns occupied, a large majority of the population received the Fascisti as liberators from the Social Communist terror. This was especially so at Cremona, where an enthusiastic reception was given to the 3,000 Fascisti who entered the city.

The Avanti, Socialist organ, recently published a violent attack against the Fascisti, who, considering it an act of provocation, devastated the Chamber of Labor in Cremona, which was the Bolshevik centre, and destroyed the printing house of the local Communist paper and the seat of the Communist co-operative. They also set fire to the houses of the Christian Socialist Deputy Miglioli.

The Socialist Deputy Miglioli, who was in a state of revolution, let us cry: "Down with the monarch!"

The president adjourned the sitting until the government has sufficient information about what really occurred at Cremona today.

YOUTH SNATCHES \$1,500 PAYROLL AND ESCAPES

MONTREAL, July 15.—The \$1,500 payroll of the firm of N. C. Polson & Company, wholesale druggists, 311 Notre Dame street west, was stolen today when a youth snatched a satchel containing the money from the hands of a girl cashier as she was entering the company's offices.

5 KILLED IN CRASH.
ZABERN, Alsace-Lorraine, July 16.—An airplane attached to the Strasbourg-Paris service fell near here today. The pilot and four passengers were killed.

CHAMBER TRANSFORMED.
Soon the chamber was transformed into a place of pandemonium with the Socialists, Communists and Extreme Catholics on one side and the Fascisti and Nationalists on the other, shouting accusations at the government. Each side charged the government with favoring the opposite party. Violent invectives and offensive insults were used, and the greatest efforts were needed on the part of the calmer deputies to prevent hand-to-hand fights.

Signor Casertano, under secretary of the interior, gave an official version of the incident at Cremona, saying the government had sent most energetic instructions to prevent and repress disorders. It had blockaded the Province of Cremona. The leader of the Fascisti, who tried to run the blockade, was killed, disarmament of the population had been ordered, the populace even being forbidden to carry sticks.

Deputy Miglioli declared the situation at Cremona was tragic. He defended the Socialists who had conquered the municipality, asserting that the Fascisti wanted to dislodge them by force.

In the course of the disturbance the Social Deputy Mingrino shouted at the Fascisti: "Resign! Resign!" whereupon the Fascisti threw reported: "Brigands, you would like to reduce Italy to the same state as Russia."

The Socialist Volpi exclaimed: "As we are in a state of revolution, let us cry: 'Down with the monarch!'"

The president adjourned the sitting until the government has sufficient information about what really occurred at Cremona today.
