STREET CROSSING—There is not a semblance of a street crossing from a point near Cedar St. clean down to Ramay St. at the east end, and during all this time, we get the residents along the east end of Water St. simply had to wade through mud and slush. Some of the residents took the precaution to carry a lot of boards to distribute along their passage. The old Street Commission will still argue that the Commission is meeting out fair treatment to that section of the town.

STREET CROSSING—The citizens generally think that if the town roller was used on Water St. last evening, we would have a fairly decent street today. The street committee thinks differently.

If the women must have chandeliers, why not insist that they use the ordinary barnyard fowl for ornamentation, instead of long-deceiving birds of the field? It would be cheaper.

MADE WELL AND STRONG

By Lydia E. Pinkham's Vegetable Compound

Dovedale, Sask.—I was a sufferer from female weakness—monthly periods irregular and painful and a bad discharge backache and a very wretched headache, and had felt weak ever since the birth of my twins.

I tried doctors but got no relief. I began to take Lydia E. Pinkham's Vegetable Compound, and after three weeks I was feeling much better, and now I am well again.
