Beath of the Oldest Horse in Canada. Whilst running about the yard last week, says The Galt Reformer, Charles Cutler, the

venerable steed owned by T. A. Cutler of the Imperial, injured his hip bone. As there was no hope of his recovery from the injury, on Friday it was decided to put an end to his inferings, and he was accordingly of the suffree. It only costs : To Marko With and be convinced.

Friday it was decided to put an end to his mfferings, and he was accordingly shot. Charles Cutler was, so far as known, the old-est horse in Canada. He was foaled on May 10, 1846, and was therefore in his 44th year. He was of Messenger stock and was as fine a piece of boreafiesh as ever wore harness. He was raised by Mr. Best of the County of Ox-ford, and when Mn. Cutler purchased him 29 years ago he was considered an old horse. It will be remembered that he was driven in the trades' procession on July 1 hast, and bind he not met with an accident the old grey might have lived for a number of years longer. His vitality was phenomenal, and if there are any other horses in the country that have at-tained to anything like his age let them step to the front.

Chronic Sores, Ulcers, Abscesses, Cancerous Humors, and, in some cases, Emaciation, and Consumption, result from a scrofulous condi-tion of the blood. This disease can be cured by the use of Ayer's Sarsaparilla. I inherited a scrofulous condition of the blood, which caused a desangement of my whole system. I was troubled with Scrofulous Sores for five years; but, after using a few bottles of Aver's Sansaparilla, the sores healed, and I have now good health.-Elizabeth Warnock, 54 Appleton street. Lowell, Mass.

Lowell, Mnas. Some months ago I was troubled with Scrothious Sores on my leg. The limb was budly swollen and inflamed, and the sores discharged large quantities of offen-sive matter. Every remedy failed, until I used Ayer's Sarsaparilla. By faking three bottles of this medicine the sores have been entirely healed, and my health is fully restored. I am grateful for the good this medicine has done me. - Mrs. Am O'Brian, 156 Sullivan st., New York.
