GROVER DESERTS QUEEN LIL. J. P. STOUT ACCIDENTALLY SHOT. PUT HER ON THEFLOOR TO DIE

## ELECTIONS WITHIN 30 DAYS. THE VERDICT OF THE JURY

MACWHERRELL AND WALKER TO BE TRIED FOR MURDER.

Enchard, the Little York Milkman, Also going to the country forthwith. They Beid as an Accessory to the Killing of pledged themselves last session that there Williams and His Wife-The Admis- would be another session of this Legislature, sions of MacWherreli-He Had the and that they would reform and increase

would apply for a bench warrant and would see that it was obeyed. Before the jury went out Crown Attorney McFadden informed them that in his opin-ion MacWherrell and Walker were impli-cated and principals in the crime, and that Buchard was an accessory to the fact. When the verdict of the jury was being read the prisoners did not show any agitation except Buchard, who seemed to have an idea that he would be jury did not take much stock in his story. They thought it was too finent and that he was still keeping something back. Yery little additional evidence was brought forward. Take the the total story of the Most Won-derful Event the Religions? will enlighten the world in regard to the faith of the different nationalities. Out of these enquiries and greetings something may is coming—namely, a great religion. This volume, nicely bound in eloth, splendidly illustrated with full page engravings, is on sale at John P. McKenna's, Bookseller, SO Yonge-street, and is having a very great sale both in the United States and Canada. The book will be an important addition to the literature of the 19th cen-tury. CANADIAN-BEITISE TRADE.

Very little additional evidence was brought forward. Frederick Death of the Lake-road, two lites from Williams', and Benjamin Field-house, who lives four miles from Williams', and Benjamin Field-house, who lives four miles from Williams', and Benjamin Field-house, who lives four miles from Williams', and Benjamin Field-house, who lives four miles from Williams', and Benjamin Field-house, who lives four miles from Williams', and Benjamin Field-house, who lives four miles from Williams', and Benjamin Field-house, who lives four miles from Williams', and Benjamin Field-house, who lives four miles from Williams', and Benjamin Field-house, was welker as a man who worked for them two years ago and the total value of Brites and carrying off a Deuble-itarreled Shot Gun, Boots, Etc. this evening four miles east of this city and obbed the express and mail cars. They placed torpedoes on the track and swung a red lantern to stop the train and as it slowed up three men climbed into the 'engine cab. Revolvers were thrust into the faces of the engineer and fireman, and they were forced to walk back in front of the obbers to the door of the express car and ordered to tell the messenger to open the

Answered the Engineer's Call, Express Messenger G. B. Wetzel did not suspect that there were robbers outside, and when he heard the engineer calling he opened the door. As he did so two of the opened the door. As he did so two of the robbers leaped in. They secured the keys to the safe and went through it in a jiffy, but the officials refused to state how much was in the safe. As it was a through one to Chicago it is believed that the robbers made a grand haul.

Rifled the Mail Car.

The mail car was entered in the same manner as the express car. The mail agents were unarmed and made no resistance. It is reported that a tegistered pouch was carried off by the robbers. Other mail pouches were cut open and rifled, and everything of value in sight was taken. The passengers were not disturbed. As soon as these cars had been robbed the masked men ordered the engineer to pro-

The rear brakeman, John Ryan, had been sent back to flag approaching trains when the robbers stopped the train, and when they released it Ryan was left behind. He secured a horse and rode back to the city, where he reported the affair at once to the officials. The brakeman says two or three buggies were standing beside the track near the spot where the train was robbed. This leads to the belief that the robbers
