the business of the year we find it very encouraging, but the marketing was not so successful, the prices received would appear to indicate over-

production in many commodities. The hog, which has been dubbed "The mortgage lifter" has not lived up to his reputation this year, in many cases the value of the dressed carcass was not equal to the purchase price, plus the feed bill leaving nothing, but the pleasure of his

company to solace us. During the year the embargo on Canadian cattle entering England which has been enforced for thirty years, has been lifted. This was hailed with satisfaction by the stock raiser, but thus far it has not proved to be any marked advantage to him. The transportation charges amount to about 4 cents a pound live weight or on an average of \$45.00 per head (Continued on Page Four)
