THE LADIES' RED BIRD

The beautiful rich color, the superior finish, the ease with which they run, their strength, the perfect construction of every part combine in making this wheel most popular with lady cyclists. Ladies' Red Birds are made in two models and fitted with very light and handsome aluminum chain guards.

THE COUNTESS OF ABERDEEN

selected a Red Bird in preference to all other makes of wheels offered, thus showing her appreciation of an article of Canadian manufacture that is high-grade in every particular. A post card will bring you our handsome '97 catalogue.
