Chatlam, Ont., July 25th, 1897.

The American Cream Separator purchased off you a few weeks since gives perfect satisfaction. It does even better than you claimed for it. We consider it a perfect machine in every respect.

D. & J. W. VAN HORN.

Mr. Van Horn supplied one of the largest restaurants in the "Maple City" with cream for the "Meet" on July 1st, and had a machine sent on to him on trial. He made up his mind as above stated in a couple of days and paid for it. If you wish the best machine be sure and give at least the "AMERICAN" a trial. Burden us with your enquiries, it is only a pleasure to answer them. We also are dealers in large power Separators, Churns, Butter Workers, Cheese Presses, and everything pertaining to dairying. Correspondence solicited. Catalogues sent on application to

 Look up its advantages

 Before going elsewhere!

25,000 farmers produced over 60,000,000 bushels of grain in 1895.

Over 10,000,000 acres of land in the province have never been cultivated, and can be purchased on easy terms from \$2.00 to \$10.00 per acre.
