Henry Dudding

Riby Grove, Great Grimsby,
Lincolnshire, England

Has always for inspection, and sale, the largest flock of pure Lincoln Longwool Sheep in the county, including many prize-winners, having taken prizes for many years at the Royal and other shows for both Rams and Ewes, including champion medals at both the Paris Exhibitions, Vienna, Amsterdam, Canada, Australia, New Zealand, and all the leading prizes at the Chicago Exposition; also the first for the best collection of Lincoln fleeces of wool at the Royal Windsor Show and the Lincolnshire Show, which proves the character of this flock. The sheep are famous for their great size and one hundred and twenty-five years' good breeding. At Lincoln Ram Sale, 1896, this flock's consignment not only made the highest individual average of any consignor, but also made an average price exceeding that made by any other breed in England, i.e., \$512 per head, the first six making an average of \$840. The sheep for sale this year are all sired by noted rams, and are fully equal to their predecessors in every way.

Rail Stations: Stallingboro, 3 miles distant, and Great Grimsby 7 miles.
Telegrams: "Dudding, Keelby, England."

S. E. Dean & Sons

Dowsby Hall, Folkingham,
Lincolnshire, England

Have always for inspection and sale fine specimens from their FLOCK of PURE LINCOLN SHEEP (No. 47 in Lincoln Flock Book), including SHEARLING EWES and RAMS, also RAM and EWE LAMBS. Sheep from this flock have been exported to nearly all parts of the world, where their great substance and large fleeces of beautiful quality wool give the greatest satisfaction to purchasers. Early in 1894, about twenty Rams from this flock were sold by public auction in Buenos Ayres, and realized the highest average ever obtained for Ram Hogs exported from England. The flock is most carefully bred, and none but the very best sires used. Messrs. Dean also send out selections from their flock to purchasers who are unable to come to England to inspect them, and they have given great satisfaction. Messrs. Dean have also for sale purebred Bates SHORTHORNS and pure LINCOLN RED SHORTHORNS.

Dowsby Hall is one mile from Rippingale Station, on the Great Northern Railway, Bourne and Sleaford Branch.

TELEGRAMS: DEAN, RIPPINGALE.

J. E. Casswell

Stock Book
No. 46

Laughton, Folkingham, Lincolnshire, Eng. This well-known flock has been established more than 100 years, and the pedigreed Lincoln long-wooled rams and ewes have been noted throughout the Colonies and South America for their "size, symmetry, and lustrous wool." Ewes from this flock have always passed from father to son, and have never been offered for sale. Mr. J. E. Casswell's grandfather, Mr. G. Casswell, of Laughton, was the first breeder in the county to let his rams by public auction. At Lincoln Ram Fair, 1895 and 1897, Mr. J. E. Casswell made the highest average for 20 rams. The rams of 1896 were all sold privately for export. During the last two years the following amongst other noted sires have been used: Bakewell Councillor and Baron Rigby, for each of which very high prices have been refused; Laughton Major, Laughton Style, Laughton Choice, No. 5; Ashby George, 60 guineas; Judge, 95 guineas; his son, Laughton Justice Lincoln, 200 guineas; Lincoln, 152 guineas; Welcott, 70 guineas; Lincoln, 72 guineas; and his sire, Laughton Ribby. Shire horses, Short-horn bulls, and Dorking fowls are also bred. Inspection and correspondence invited. N.B.—Laughton Choice won 2nd at the Royal and a pen of 5 heaves by him won 1st at Royal Doncaster. Visitors met by appointment. TELEGRAMS: Casswell, Folkingham, England.

"LITTLE GIANT" GRINDING MILL

One of the best and cheapest mills in the market, possessing qualities which no other mill of its kind has.

We also make mills to grind corn and cob in the ear, and windmills geared to wood or steel. Also pumping.

Send for circulars and prices.

J.A. McMARTIN & CO., 14 St. George St., Montreal

IMPORTED OXFORD DOWN

LAMBS—Canadian bred yearling and ram lambs. Yearling ewes and ewe lambs for sale, reasonable.

HENRY ARKELL, Arkell, Ont.

Northey Gasoline Engine

An Ideal form of power for the Farm.

There is absolutely no danger from explosion; this we particularly emphasize—the running expenses are light, only 1 1/2 cts. per h.p. per hour—less than any other form of power we know of. In addition, it is perfectly under control at all times, and so simple of construction that the most inexperienced person can run it—and that without much attention for hours at a time.

Our booklet tells all about it. Write for it.
