British Columbia Farms

If you are thinking of going to the Pacific Coast try British Columbia: No extremes of temperature. No cyclones. No dust storms. No cloud bursts. No droughts. No blizzards. Fertile land, and the heaviest crops per acre in Canada. We make this statement without fear of contradiction. The land is cheap and the markets and prices for farm produce the best on the Pacific Coast. Write for Farm pamphlet to the Settler's Association. Box 320 Vancouver, B. C. When writing please refer to this paper.

We are preparing for the use of the Department of Agriculture a list of the apple growers of Ontario. Any grower can have his name placed on the list by sending his address to the Secretary together with the number of trees he has in bearing.
