**CAMERON & ROSS,**

**C** O M M I S S I O N M E R C H A N T S,  
443 Commissioners Street, Montreal, would  
announce to Country Merchants and Traders general-  
ly, that they are regularly receiving and selling on  
Commission all kinds of Country Produce, such as  
Grain, Flour, Pork, Butter, Pot and Pearl Ashes,  
Leather, Wool Hides, Flax Seed, &c. Also, purchas-  
ing Dry Goods, Groceries, Hardware, and General  
Merchandise.

For the past three weeks the weather for out of door  
employment was very desirable, and a large amount  
of labour, in way of fall seeding and in getting the  
new crop to market, must have been satisfactorily got  
through with. Business, although somewhat improv-  
ed, has not come up to the expectations of country  
merchants generally, and the expectations of the  
wholesale trade are, so far, far from being realized.

Dry Goods.—In this branch there is not much  
activity prevailing at present. We notice the cotton  
market as being active in England, and a slight  
advance in price.

GROCERIES.—Several large sales have taken place  
during the last ten days, and considerable quantities  
of goods changed hands; but in no instance did we  
notice any unusual animation that would indicate that  
there was a scarcity apprehended, but rather, on the  
contrary, more dullness prevailed than we expected  
to see at this season of the year. Sugars are consid-  
erably lower than they have been for the last three  
years; the stocks held in this market are rather large.  
Teas.—There is a large quantity of inferior in the  
market, and is very slow of sale. In fact, we cannot  
very well see where a market at all is found for a  
great deal of the trash that is offering. Young Hysons  
and Gunpowders of good quality met with a ready  
sale at good prices for the Upper Canada trade.

Flour.—During the week the price has declined  
fully \$1 per barrel. Grain.—Wheat tending down-  
ward. A fair demand exists for Peas and Corn for  
shipment to Britain. For quotations we refer to those  
given in the journal.

POT ASHES.—The activity which prevailed some  
ten days ago is subsiding, and prices are not so firm.

BUTTER.—The stocks are on the increase, but all  
desirable parcels meet with a ready sale at from 16c.  
to 17½. All inferior and old made is difficult to sell,  
and where holders are limited to a high price, it is  
likely to remain in stock for some time.

Eggs.—Are worth from 14c. to 15c. per dozen.  
Cash advances made, or Drafts accepted for two-  
thirds value of consignment when bill of lading is  
attached, or three-fourths value remitted in cash on  
arrival of goods.
