

Canada's Favorite Piano

Unsurpassed and unsurpassable whether the choice be a Baby Grand, an Upright or a Transposing Piano. Leaders in the business of piano-making since 1847. Our constant study has been in the direction of improvement, and no effort has been lost in making certain the building of a piano that would realize the highest ideals.

"A fine, solid, old firm this, with a great, big trade, which they keep alive by undelafatigable push."—*Music Trades Journal*.
