The Catholic elergy of Canada arorespectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of pews in the Brantford Catholic Church, and for many years past have been favoured with contracts from a member of the clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establisha or nehoffice in Glasgow, Scotland, and we are now en The Bennett Furnishing Co., of London n Glasgow, Scotland, and we are now en gaged manufacturing pews for new churche in that country and Ireland. ust. Commence by dipping one of the articles to be washed in a tub of luke-warm water. Draw it out and rub on the "SURPRISE" lightly, not missing any soiled pieces. Then roll in a tight roll, put back in the tub under the water and let it stay there half an hour. Do all the wash this way.

2d. After soaking for this time, run lightly on the wash-

board; the dirt will drop out.

3d. Then wash lightly through a luke-warm rinse water, which will take out the suds.

4th. Next rinse through a blue water. (Use scarcely any bluing. SURPRISE takes the place of bluing).

Wring them; hang up to dry without boiling or scalding or any more rubbing.

The wash will come out sweet, clean, white.
