THE scarcity of clergymen in the city, so many being temporarily out of town, is very observable. Rev. Mr. Gemley was in Galt : Rev. Dr. Schultz, of Huron College occupied the pulpit of the Chapter House. Mr. Reimer preached in St. George's Church, Petersville. Rev. Messrs. Richardson and Darnell away.

TORONTO .- The address to Provost Whitaker although in circulation for signatures only about two days prior to its presentation, received the signatures of 3 Bishops, 120 Clergy, 709 laity, among the latter being a large proportion of Churchwardens and lay delegates to Synod. Had a longer time been allowed for obtaining signatures, there is no doubt the number of signatures would have been tenfold greater.

B. H. M.-At the last meeting of the the Lord Bishop called attention to a communication lately received from the S. P. G., in which, after enlarging on the with the Sunday School of St John's number of Missionaries aided by it in Church, in this town, has succeeded in every quarter of the known world, they request every parish and mission station to take up one collection in the year on a good musical programme during the behalf of its funds. Guysnono'.--Efforts which have been put forth for some time by the ladies and others of this parish to raise sufficient funds to build a new church will soon, it is hoped, be successful. A considerable sum has already been collected in the parish, and if only a few of those elsemeans, will help, the work will be at once begun. Will not some such be moved to send the incumbent, the Rev. H. M. Jarvis, a few dollars towards this important object? Soon the demand will be made, "Give an account of thy stewardship," and then it will be too late, for Christ will have come to judg-ment. "Lay not up for yourselves treasures on the earth, where the moth and rust doth corrapt, and where thieves break through and steal, but lay up for yourselves treasures in heaven."

AMMERST.-We are glad to learn that Canon Townshend's injures were not of a serious nature, in the accident which he lately met with, and that on Sunday last he was able to perform his duties.

SACKVILLE .--- The Rev. W. Ellis, incumbent of this parish, on a recent visit to his former parishioners, at Lunenburg, without any direct canvassing, succeeded in raising \$55 toward the completion of the parsonage in Sackville.

SOUTH-EAST PASSAGE .- On Sunday last twelve candidates were confirmed by the Lord Bishop at this place, and on the following Wednesday twenty-four others, who were unable to be present on Sunday, owing to the long distances and the very heavy rain, received the same holy rite. The clergy of the Diocese may well learn a lesson from their Bishop, who never disappoints, but when an appointment has been made invariably fulfils it, no matter what the condition of the weather may be. The distance of this Mission from Halifax is about ten miles, on the Eastern side of the harbor.
