SEED Warranted to Grow.

or order refilled gratis. I have sold vegetable and flower seed to over a million farmers and gardeners in the United States, perhaps some are your neighbors, if so ask them whether they are reliable. Mr. Thomas Henshall of Troy, Kansas, writes me: "For 36 years I have dealt with you. I have lived in Iowa, Missouri, Colorado, and Kansas, and no matter what the soil or climate, the result was always the same, to wit:—religiously honest and good." This is the kind of seed I raise and sell. The Hubbard and Marblehead Squash, Marblehead Corn, Marblehead Cabbages, Ohio Potato, Eclipse Beet, are some of the vegetables of which I was the original producer. A Pair with \$500 in premiums. See my catalogue, free to all.
JAMES J. H. GREGORY, (Seed Grower), Marblehead, Mass

Library of Science.

The publication of our SCIENCE LIBRARY will be welcomed as an event of the highest importance to thousands. For the first time it brings within their reach the scholarly productions of the MASTERS in modern science. Each work is complete in itself, well printed from good or large type, on excellent paper, bound in neat paper covers. In cloth-bound books these same works have heretofore been published at prices ranging from \$1.50 to \$3.00 each.
