BREAKFAST.

BREAKFAST.

"By athorough knowledge of the naturallass which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cuooa. Mr. Eppa has provided our Breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame.—
