Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th 1852.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN-DISEASE. ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper of Ready near Gainsbro', dated March 1st., 1852.

To Professor HOLLOWAY,

SIR,—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines, she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.

I remain, dear Sir, yours faithfully, (Signed) JOHN M. CLENELL.

CERTAIN REMEDY FOR SCORBUTIC HUMOUR AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker & Co., Chemists, Bath.

To Professor HOLLOWAY, DEAR SIR,—Among the numerous cures effected by the use of your valuable medicines in

this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured.

A private in the Bath Police Force, also, has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, dear Sir, yours faithfully,

(Signed) WALKER & Co. April 6th, 1862.

AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Colds, Hoarseness, Whooping Cough, Sore Throat, Asthma, and Consumption.

They can be used with the liver or stomach, or in any other case of difficulty, and they will make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many proofs are here given, and we solicit an inquiry from the public to our publisher, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

Dear Sir: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends.

This I have now done with a high degree of satisfaction, in cases of both adults and children, where of satisfaction, I have found it; as its ingredients, I have found it; as its ingredients, I have found it; as its ingredients, I have found it.

remedy for colds, and coughs, and pulmonary, a powerful PARKER CLEAVEY, M.D. Brunswick, Me., Feb. 5, 1847.

Lowell, Aug. 1849. Dr. J. C. Ayer: I have been cured of the worst cough ever had in my life, by your "CHERRY PECTORAL" and never fail, when I have an opportunity, of recommending it to others.

Yours respectfully, S. D. EMERSON.

Read the following, and see if this medicine is worth a trial. This patient had become very feeble, and the effects of the medicine was unmistakably distinct:—

UNITED STATES HOTEL, SARATOGA SPRINGS, July 5, 1849.

Dr. J. C. Ayer,—Sir: I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "CHERRY PECTORAL," which gave me gradual relief, and I have been steadily gaining my strength till my health is well nigh restored.

While using your medicine, I had the gratification of curing with it my reverend friend, Mr. Truman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis.

I have the pleasure in certifying these facts to you, and am, sir, yours respectfully.

J. F. CALHOUN, of S. Carolina. CHARLES, PA., Aug. 22, 1846.

J. C. Ayer,—Sir: I was taken with a terrible cough brought on by a cold, in the beginning of last February, and was confined to my bed more than two months, and was incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I had little hope of my recovery could be for breath, that but little hope of my recovery could be for breath, that but little hope of my recovery could be for breath.

entertained. While in this situation, a friend of mine, (the Rev. John Leller, of the Methodist church) brought me a bottle of your "CHERRY PECTORAL," which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months' I am well and strong, and can attribute my cure only to your great medicine.

With the deepest gratitude, yours, c. JAMES GUDFEY.
