We have been manufacturing for the Canadian trade since 1855, and have maintained the same high standard of excellence. Let us know your saw requirements.

THIS MACHINE MAKES THE MONEY

¶ It makes a perfect imitation of any open grain because it uses the wood itself to print from. One operator and a couple of boys can do more work with it than 12 men with any other so called machine on the market. That's why it's a money maker.

¶ It imitates perfectly plain or quartered oak, mahogany, walnut, elm, ash or any other wood with an open grain.

50 Machines sold last Year.

50 more Satisfied Customers.
