Dr. Abbas Al-Saigh

Trade Director for Middle East/Africa
Alberta Ministry of Economic
Development and Trade

Abbas Al-Saigh is a chemical engineer
with over 12 years of diversified industrial
experience in Canada and the Middle East.
He has also engaged in extensive research
work and training. Dr. Al-Saigh joined the
Alberta Ministry of Economic Devel-
opment and Trade in 1988, and is respon-
sible for the development of trade relations
with the Middle East and Africa. He is a
member of professional engineering associ-

ations in Canada and the United Kingdom. Dr. Al-Saigh is fluent in English,
Arabic and Farsi.
