As announced on April 25, 1986, this SAGIT will be chaired by Ms. Marie-José Raymond. Currently Vice President of the Montreal-based film production company Rose Films Inc., Ms. Raymond recently co-chaired the federally-appointed Film Industry Task Force.

Like other SAGIT, the Arts and Cultural Industries Advisory Group will provide advice to the Minister for International Trade, and through him to the government, on all trade matters, including market access and trade promotion issues of concern to the industry.
