

Alberta air council, together with a list of signatories thereto which was received by the government in 1963 with reference to the conversion of R.C.A.F. station Penhold to a jet training base.

Mr. Hellyer: A check of the files in the Prime Minister's office and the departments of agriculture, transport and national defence indicates that no petition was received from the Alberta air council with a list of signatories. There was a telegram addressed to me from the Alberta aviation council requesting an appointment, and a further letter expressing appreciation for the kindness extended in meeting a delegation. This correspondence has already been tabled.

Under those circumstances I wonder whether the hon. gentleman would agree to have the motion dropped, and if there is any other definition or additional information which comes to his attention he has the right to put the motion on the order paper again, or if he could tell us more about it privately we would be glad to produce the document if it exists.

Mr. Lambert: If I can have the same assurance from the Minister of Transport I will do so, Mr. Speaker.

Mr. McIlraith: I would be happy to give that assurance to the hon. gentleman.

Mr. Lambert: Then I will withdraw the motion.

Order discharged and motion withdrawn.

Mr. Robichaud: Mr. Speaker, there is no such correspondence; and as the same applies to motions 134 and 135, may I suggest to the hon. member that he withdraw these three motions.

Mr. Howard: Do I understand the minister to say there was no such correspondence? Then I will withdraw the motions.

Mr. Speaker: Then this motion is withdrawn, and motions 134 and 135 are withdrawn.

Mr. Robichaud: Mr. Speaker, the government has no objection to this motion provided it can obtain the concurrence of the other country involved.

Mr. Speaker: Is it the pleasure of the house to adopt the said motion subject to the reservation stated by the minister?

Some hon. Members: Agreed.
