

RUSSIAN PROFESSORS

Question No. 112—**Mr. Cossitt:**

With reference to the answer to Question No. 16 of the Fourth Session of the Thirtieth Parliament, were investigations carried out when visas were applied for by Russian professors and, if so (a) by whom (b) were there any applicants who were turned down and, if so (i) what were their names, fields of study, etc. (ii) in each case, what was the reason for the refusal (iii) how many were refused on the grounds that they were in any way suspected of being connected with, representative of, or in any way having dealings with any branches of Soviet Intelligence?

Hon. Flora MacDonald (Secretary of State for External Affairs): Yes (a) RCMP Security Services; (b) No. (i) N.A. (ii) N.A. (iii) N.A.

EXTERNAL AFFAIRS

Question No. 200—**Mr. Herbert:**

How many (a) permanent (b) term employees were on the Department of External Affairs' payroll on March 31, 1979?

Hon. Flora MacDonald (Secretary of State for External Affairs):

The number of employees on External Affairs' payroll on March 31, 1979 was as follows:

(a) permanent	5,053
(b) term	91
Total	5,144

CANADIAN ARMED FORCES—AIRCRAFT

Question No. 247—**Mr. Roy (Beauce):**

Has the government chosen which aircraft it will buy for the Canadian armed forces and, if so (a) will it be the F-14, F-16 or F-18 (b) does the government's choice correspond to that made by the Canadian Armed Forces?

Hon. Allan B. McKinnon (Minister of National Defence and Minister of Veterans Affairs): (a) and (b) It is expected the final selection of a new fighter aircraft for the Canadian forces will be considered by cabinet before the end of the current year. The finalists are the General Dynamics CF-16 and the McDonnell Douglas CF-18. The Grumman F-14 is not being considered.

UNITED NATIONS

Question No. 296—**Mr. Herbert:**

1. What amount was contributed last year by Canada to the regular budget of the United Nations?

2. What amount was contributed (a) to each of the eleven specialized agencies (b) for any other purpose?

Hon. Flora MacDonald (Secretary of State for External Affairs):

Canada's contributions in the 1978-79 Fiscal Year (\$000 Canadian).

1. U.N. Regular Budget	17,171
2. (a) Specialized Agencies and IAEA

LOTO CANADA

Question No. 324—**Mr. Dick:**

1. Did Loto Canada, the government, any subsidiary or agent of either in its employ, contact General Instruments regarding the prospects of entering into a contract with them to provide a computer lottery gaming system to Loto Canada and, if so, on what date?

2. Was such a contract finalized and, if so, on what date?

3. What are the names, classifications and departmental sections of all employees who were involved in the negotiation of the contract?

4. Were employees of an agency other than Loto Canada involved in the negotiation of such a contract with General Instruments and, if so, who requested their assistance and on what date?

5. Was the contract sole-sourced to General Instruments without any calls for public tender and, if so, on whose recommendation?

6. (a) What was the dollar value of the contract between Loto Canada and General Instruments (b) was there any clause allowing for an option to increase the size of the initial contract and, if so, what would be the dollar value of the contract if such option were exercised?

7. Did any employee of Loto Canada, the government, any agency, subsidiary or agent in its employ, contact Canadian manufacturers of computer equipment regarding their ability to provide a similar type of computer lottery gaming system as General Instruments and, if so, which manufacturers were contacted and on what dates?

8. On what date did the government or Loto Canada first learn that Consolidated Computer Incorporated, owned 53 per cent by the government, was in a position with Digital Computers to provide a similar type of lottery system as provided for in the Loto Canada contract with General Instruments?

9. Did General Instruments commit itself in the contract with Loto Canada to manufacture, in Canada, any of the equipment necessary for the lottery system and, if so, what was to be manufactured in Canada?
