Copy of an Order in Council, approved by His Honour the Lieutenant-Governor in Council, the 30th day of August, 1876.

The Committee of Council have had under consideration the annexed report of the Honourable the Minister of Education, dated the 25th of August, 1876, with reference to the visit of the Teachers and others to the Centennial Exhibition at Philadelphia, and advise that the recommendation contained therein be concurred in.

Certified.

(Signed) J. G. Scott, Clerk Executive Council, Ontario.

31st August, 1876.

The undersigned respectfully begs to report to His Honour the Lieutenant-Governor in Council, as follows:-

1. The Ontario Association for the Advancement of Education The Ontario Association for the rough a Committee of their number, applied to the underthrough a Committee of the Hamber, applied that, in cases where Teachers desire to visit the Centennial, may be done without any forfeiture of the Government Grant such days as the schools may not be open in consequence.

The Committee of the Association, in their communication to The Committee of the Association, in their communication of undersigned, dated the 24th instant, urge several grounds in apport of their application, the chief of which are as follows:—

(1) "They would be able to inspect the Educational appliances, of the various nations of the

pperatus, school furniture, &c., of the various nations of the vorld, as represented at the Exhibition."

(2) "They could examine and compare with our own the results public School teaching in the different parts of the United States, if they are arbibited by means of examination papers written by they are exhibited by means of examination papers written by pupils and specimens of drawing, writing, &c. They could also initiarize themselves with the processes by which these results been obtained.

It would give them

vast amount of practical knowledge, which would greatly aid them in teaching many subjects, especially commercial geography and natural history.

3. The Committee also shews that it was not possible for the teachers in any numbers to visit the exhibition during the summer vacation, by reason of some being engaged in passing examinations for certificates, and some as examiners; and their attendance at the annual Provincial Convention, which is justly regarded as a duty of paramount importance, also absorbed a considerable part of the vacation, and there was the additional reason that until within the last two or three weeks, the Railway Companies were not prepared to make as reasonable arrangements as now for excursion parties to the exhibition.

The Committee propose that trustees, sholars and others interested in Educational progress should also be entitled to join in

their proposed visit.
4. The undersigned considers that the Educational interests or the Province will be promoted by teachers and others visiting the exhibition, and in this view would respectfully recommend that His Honour in Council may be pleased to authorize that, in cases where teachers may obtain the requisite permission from the respective Boards of Trustees to visit Philadelphia, on the occasion referred to in the communication of the Committee of the Provincial Association of the 24th of August, and in consequence of which any school may not be open, the days on which such school is so necessarily closed, may be deemed by the Education Department as meeting days, under the General Regulations in that behalf.

Respectfully submitted,

(Signed) ADAM CROOKS. Minister of Education.
