

Extract of District Order.

PHILIPSBURGH, October 5, 1841.

Lt. Col. Reid has been directed by Major General Sir James McDonald, K.C.B., K.C.H., &c., commanding the troops in the lower part of the Province of Canada, to convey to Capt. T. W. Jones, commanding the Queen's Light Dragoons, the expression of his approbation of the appearance and movements of the Troop under his command, at the inspection which took place in his presence yesterday, and Lt. Col. Reid begs to assure the Officers, Non-Commissioned Officers and men of the District under his command, that it affords him peculiar gratification to have received this expression of approbation from one of *the most distinguished Officers* in Her Majesty's service, and which he trusts the Troops will continue to merit.

PHILIPSBURGH, 9th April, 1842.

Similar District order from Major General Sir James Arch. Hope, K.C.B.

District Order, Extract.

PHILIPSBURGH, 29th April, 1843.

Lt. Col. Reid cannot take leave of the Missisquoi and Rouville District without returning his best thanks to the Troops for their regularity and general good conduct during the period they have been under his command. To Captain Jones, Officers, Non-Commissioned Officers and men of the Troop of Queen's Light Dragoons who have been under his orders since 1839, when he first assumed the command of this District, Lt. Col. Reid feels that his thanks are more particularly due, for their zeal and attention, and from their ready and willing execution of all orders. Their discipline has already called forth *approbation* from two of the *most distinguished Officers* in Her Majesty's service, viz.: Lt. General Sir James McDonald and Major General Sir James A. Hope. It would therefore be presumption in him to add one single word to such high authority. Their orderly, sober, and soldierlike conduct, in quarters and on duty at outpost, reflect the greatest credit on the men of the Troop, and peculiarly qualify them for situations of responsibility; and the constant state of efficiency of the Troop does the *greatest* credit to Capt. Jones' arrangements.

[Signed,]

H. REID,
Lt. Col. Commanding.
