Note and Comment

After the meeting of the Canadian Cricket Association in this city to-morrow night it will be found that the two highest officials will have been filled as follows:

President: Hon. Hugh John Macdonald, Winnipeg.
Secretary: A. R. Morrison, Winnipeg.
This will complete the transfer of headquarters from Toronto to the Prairie City and everybody will be satisfied.

The C.C.A. had all sorts of worry in recent years selecting teams for the international matches, not to mention its efforts to placate Ottawa and Montreal, and as Winnipeg was willing to take on the task there will be no objection hereabouts. Hon. Mr. Macdonald, slated for the presidency, son of the late Sir John A. Macdonald, and ex-premier of Manitoba, is a staunch supporter of the game in the Prairie City.

A. R. Morrison, the new secretary to succeed the indefatigable Hugh Reid, is an enthusiastic and active cricketer, having played the past season with the Wanderers, champions of the Winnipeg League, of which he is also the secretary. Mr. Morrison will be here to-day.

The tournament at Varsity Saturday was a marked success. Even the wrestlers were worth watching, for you knew they were doing their best instead of trying to do the public. The boxers were strong and willing, and in several cases showed fair defence.

Queens were awarded the championship. There were in all 14 events, 6 boxing, 5 wrestling and two fencing. Queens were successful in three boxing and three wrestling events. Varsity won two boxing and two wrestling, and also both the fencing events. McGill, however, had to be content with one boxing and one wrestling. It was thought at first, particularly by the local boys, that Varsity and Queens were tie for the championship, but it was expected that at McGill last year where the championships were held the two fencing events only counted as one point. Varsity agreed to the precedent and Queens were properly awarded the championship.

Two Challenges for Robertson Cup—Annual Meeting of the C. C. A.—Rosedale Notes.

The annual meeting of the Canadian Cricket Association takes place to-morrow night in the Walker House when the election of officers and the usual routine business will be attended to. The president, Dr. Dean, invites all cricketers, whether members or not of affiliated clubs, to attend. As the local cricketers are willing to permit the headquarters of the C. C. A. to be transferred to Winnipeg, there is little doubt about the shift. Thus the two chief officers, that of president and secretary, must be filled by Winnipeg men.

The trustees have already received two challenges for the Robertson Cup, now held by the Toronto, viz., from the Wanderers of Winnipeg and the Rosedale club. The Wanderers are willing to come for their game in July and will likely get accommodated. The C. P. R. team played Toronto last season and lost.

The annual meeting of the Rosedale Cricket Club takes place on Mar. 11 and the annual dinner on Mar. 6, but the Rosedale Club.

It is announced that L. Black, the celebrated left-hand bowler and batsman, last season with Rosedale, and possibly the best all round man in the city, will next season play with the Robert Simpson Cricket Club.

T.C.C. HAVE A FIVE GOAL LEAD

Paddlers Defeated Orillia Yonkers in Fast Junior Game Play Return Match in Orillia Tuesday Night.

Saturday night's game at Ravina Rink, the first of the finals between Toronto Canoe Club and Orillia Yonkers, was by odds the finest expedition of junior O.H.A. hockey ever this season, and although the final score stood 7-3 with the big part for the Paddlers, no one could make the mistake of thinking it a walk-over for them.

The game was fast and remarkably clean from beginning to end, and it was well to say right here for the benefit of a few narrow-minded partisans, that the referee, handled the game as it should be handled and very few incidents escaped him.

Before the game odds were all Canoe Club and it was difficult to find any Orillia money, except a little which was ventured on the round. After the game this was noticeable for its absence. Twenty-five hundred spectators packed the rink but, owing to the splendid accommodation at Ravina no one was turned away. The best standing room was taken a full two hours before the game and except for a few, a more fair-minded crowd never watched hockey in Toronto. Both teams retained the line-ups which had gone thru the season without a single defeat, although both possessed a few players to their credit. One had to win, however, and until the second part of the game it was nip and tuck, with a toss-up for the victors. The absence of scoring in the first period kept the excitement high and neither side was inclined to exuberance, but when the Paddlers started their talking tactics in the second half, the spirits of the canoe supporters rose sky-high and stayed there till the finish.

T.C.C. from the start set a killing pace and for the first few minutes the Orillia boys looked stage-struck. However, they soon became accustomed to their new surroundings and repeatedly carried the puck up the ice, the seldom past the defence of their opponents. Sidley and Gooch were always on hand and played a stonewall game in front of the red, black and white goal.

The first half was a series of end-to-end rushes. Both teams were aggressive and stood the pace well. The Toronto boys, however, were more at home and after 10 minutes play McKensie scored their first by a good clean shot before he had time to range the Canoeists managed to notch a second, leaving the score 2-0. Few penalties were handed out in half, as both teams had too much at stake to waste their time on the fence.

During the half-time interval, a forecast of the result was given the spectators by the two mascots of the respective teams. Bobby, the three-year-old son of the Orillia manager, appeared on the ice in his canoe costume and proceeded to make friends with "Riley" the bull terrier, who accompanies the Canoe Club in full war paint to all their games.

The Canoe Club forwards were stronger and that just about tells the story of the second half. Orillia managed to secure two goals, but could not keep the puck away from McKensie and Dugg, the two latter dividing up their part of the score in the ratio of 4 to 3 respectively. Final score 7-2.

The ice was slow and heavy, but considering the warm, slushy weather outside the rink could not be improved upon. Very fast individual plays and combination work were retarded to a great degree by this circumstance, but the game showed remarkable stick handling and back-checking at all times. Of the two Orillia back-checkers was superior, but the Canoe Club's combination in the last period was of a scoring variety, which is always effective.

The return game at Orillia next Tuesday will be equally as good a game and T.C.C. will run up a special in the afternoon. The teams lined up thus:

Toronto Canoe Club (C): Goal, Laird; point, Sidley; cover, Gooch; rover, McKensie; centre, McKensie; right, Murray; left, Dugg.

Orillia Yonkers (C): Goal, Cook; point, Cook; cover, McKensie; rover, Butterfield; centre, McKensie; right, Jupp; left, Thornton.

Referee—Wally Hearn of Stratford.

TWO FAST BASKETBALL GAMES.

Two good basketball games were played on Saturday night at the Central Y.M.C.A. gymnasium. The preliminary was between the Central Y.M.C.A. Juniors and the East Ends of East End and resulted in a win for the former by 19 to 15.

The senior game, which followed, was one of the best witnessed this season, and only resulted in a win for the Centrals from the West Enders after a great rush in the final few minutes of the second half.

The game was decidedly fast, and the best of spirit prevailed throughout. Central secured an early lead, and by half time had the score 22 to 14 in their favor. The second half started with a rush, and the West End boys came strong, and with only a short time to play were within one point of tying the game. Central, however, came to life, and rushed matters, the final score reading: Centrals 41, West End 22.

West End: Farrell and Robinson, forwards; Dalley, centre; Jack Tait and Halford, guards.

The Toronto Y.M.C.A. leaders gave an interesting gymnastic exhibition between the two games, and were highly appreciated by all who witnessed it.

VARSITY CHESS TEAM WIN THE EDDIS SHIELD

Toronto Club Beaten by 8 to 6 in Hard Fought Game on Saturday Night.

The deciding match between the Varsity Chess Club and the Toronto Chess Club was played off in the rooms of the latter club on Saturday evening. The contest was hard fought, as a number of the best players in both clubs participated. Varsity won by a score of 8 to 6, thus becoming holders of the handsome trophy given by W. C. Eddis, president of the Toronto Chess Club. Several games of a special mention. At board No. 1, S. Morrison, Toronto, defeated a draw from J. S. Morrison, Varsity champion, at the conclusion of a splendid game, which was witnessed by a number of interested spectators. At board No. 6, C. E. Freeman, Varsity, defeated J. S. Morrison, Toronto, after a long and hard-fought battle. The victory means much for the future of the royal game at Varsity. Next year will see a strong team in the city with a view to holding the shield this year for the first time. There were 14 boards played. T.C.C. played white on the odd-numbered boards. The players scored as follows:

Queens Wins From Varsity and McGill

Intercollegiate Boxing, Wrestling and Fencing Finals Attract Large Crowd.

Queen's won the intercollegiate boxing and wrestling championships from Varsity and McGill at the Varsity gymnasium on Saturday by six wins to Varsity's five and McGill's two. The finals provided an excellent evening's sport which was thoroughly enjoyed by the large crowd. The referee was called upon to make a very busy job, for Queen's cracked a rib in the preliminary and had to default the 145-lb. wrestling bout to Armitage of McGill.

The 1912 Model 'Reading Standard' Is Here

Gone is every objection one could make when the "R. S." 1912 model appeared on the scene, for while many old riders would have nothing but a chain drive, others thought the belt the only thing. Here are both; and not one objection to the chain drive, for the twin cylinder does away with the jerk that was such a big objection. A 7-horse power with larger tires, a hand and foot controlled free engine clutch—what more could one ask for? Certainly the "Reading Standard" 1912 motorcycle promises to be the favorite, for with the records it already holds for speed, the favor it has earned for country use, and now, with these new improvements, it promises to be a "Reading Standard" year.

See the new 7-horse power twin model and have it demonstrated in Sporting Goods Section, Fifth Floor. Price 350.00
4-horse power belt drive, single cylinder model, with free engine clutch. Price 285.00
