MONTREAL BY 7 TO 3
TORONTO'S DOMINION BANK HOCKEYISTS DEFEATED

A Clean Exhibition for the Inter-Provincial Championship at Montreal-Play Was Even in the First Half, But Strictly One-Sided in the Second.
Montreal, March 9.-About 400 people witnessed the hockey match at Crystal rink tonight between the Dominion Bank of Toronto and the Bank of Montreal for the inter-provincial championship. The game was a clean exhibition of hockey, and was void of any rough play. The first half was very even, but the second half was strictly one-sided, and resulted in a victory for the local team by 7 goals to 3.

NEW BICYCLE RACING RULES.
L.A.W. Suspects Will Quickly be Picked in the Professional Class.
Chairman Gideon of the L.A.W. Racing Board has been working hard for several weeks on a revision of the racing rules. The most of these rules have been in force for several years, and have been generally regarded as being good. Many of the ideas of bicycle racing. Last year this was especially so, as for the first time they were used to govern professional racing. The new rules were drafted, but, thanks to the common sense ideas of the board, there was little friction during the session. Many of the rules were for the government of the semi-professional class B. As this class has been entirely done away with, that portion of the racing rules will be dropped altogether. For the regulation of the professional class the old rules will be used, but with a few alterations. A rule will be inserted giving the power to call back the contestants in a race at any time when in his opinion they are not trying to ride at their best pace.

For the professionals it is the intention of the board to make a set of rules that will be equitable to both the amateur and the professional. The board intends that the amateur will be given a great deal of protection, and that the professional will be given a great deal of protection. The board intends that the amateur will be given a great deal of protection, and that the professional will be given a great deal of protection.

Colonel Ruppert's Ajax is the admiration of every lover of cross country racing who has seen him take the jumps. Says the N. Y. Journal. Nick Chandler, who is an expert in the art of schooling training Ajax, riding cross country horses, says that Ajax should make the greatest jumper the country ever saw. He does not except Bonny Cockeran, or any of the other cracks. There is no question about the horse's class. Ajax is by Dandie Dimont out of Moonlight.

Baseball Breivites.
Pitcher Vickers has been released by Rochester, and is free to sign anywhere.
Andy Ward of last season's Crescents will likely play with Fort Huron the coming summer.
The Third Wellingtons B.C.C. will hold a meeting this evening at 102 Stafford-street at 8 o'clock. All wishing to join are requested to attend.
Eddie Burke has not touched liquor this winter and promises fully to let go along next season. He is anxious to hold his own in the field, and wishes to do it. He must take the best of care of himself.

Athletic and General Notes.
The winter meeting of the Crescent City Jockey Club closed on March 28, after which a week's racing will be given by the Louisiana Jockey Club.
Steve O'Donnell has authorized the Police Gazette to cable to England his acceptance of Owen Sullivan's challenge to fight at the National Sporting Club for the latter's purse. Articles of agreement will be forwarded to London, and O'Donnell will leave immediately after signing them.

TORONTO JUNCTION COUNCIL.
Deliberations and Doings of the Town's Legislators - News Notes.

Toronto Junction, March 8.-This evening's session of the Town Council was rather uninteresting, there being little business of importance, and even less discussion than usually characterizes the meetings of that august body.
The Executive's recommendation that the person responsible for cutting down trees in Elizabeth-street be prosecuted provoked some little argument, it being held by some Councilors that the Mayor and Council should have the intention to improve the appearance of the street by planting shade trees in place of the pine trees which were cut down. The Solicitor will write to Mr. Kennedy, and his explanation of the affair will be considered at the next meeting of the Works Committee.

The remaining clauses of the Executive Committee's report, embodying the reports of the Fire, Light and Police and Works and Waterworks Committees, were passed without amendment. Among the enactments thus made are the following:
To the Public Library, \$50 for charitable purposes and \$147.83 to the School Board, that amount having been paid by the board for land sold in 1894 at the tax sale of 1894. The municipal fire insurance fund was endorsed, and Mr. Rice's resolution protesting against the abolition of the jury system was carried.

The question of entering into an agreement with Mr. Barrett, who proposes to light the town at 10 per cent. less than city rates, was tabled for five weeks.
A by-law making provision for the issuance of six months' licenses at 4 per cent. of the annual rate was introduced by Mr. Laughton and passed without discussion. Last week Mayor Councillor Rice took occasion, speaking to a question of privilege, to slate certain papers which allege the person-ality of the Town Council as the reason held by the banks for refusing a loan to the town. Mr. Rice explained that last year's Council had left an overdraft of some \$13,000, besides sundry unpaid accounts, and that the adverse balance was cleared off no assistance was to be expected from the banks.

The Junction Cricket Club was given authority to arrange a loan for current expenses on the most favorable terms procurable.
The Junction Cricket Club was given the use of the town park for its 1896 fixtures.

NEWS OF THE TOWN.
The Board of Health, at to-night's meeting, decided to co-operate with the municipalities of Weston, North York, East Toronto and the Township of York in the erection and maintenance of an isolation hospital.
Immigration Agent Odium, representing the British Columbia Government, was in town yesterday. He is on his way to Europe to look after the immigration interests of the far west.

At the Sessions yesterday James McKeand, charged with criminal assault, was found guilty and remanded till Wednesday for sentence.
Montreal Boat Baltimore.
Baltimore, Md., March 9.-The Montreal and Shamrock hockey teams of Canada played a hotly-contested game at the skating ice rink to-night. The contest ended with good playing and wonderful skill. Montreal won by a score of 5 to 5.
