Now on Sale!

Just because we plan for it, and just because we buy to sell in bigger quantities, we manage to distribute almost as many goods is August as in April or October. It answers our purpose to let profit wait on many things, and part of our wisdom is making it worth your while to buy just when we say.

Hardly a day passes without new goods coming to sell extra cheap or prices being reduced to clear out special lines. The reason we're never idle is that we're willing to let go like this when the time comes :-
