A DEADLY SIN.

Do you know that seventy-five out of a hundred who contract consumption do so because they allow their bodily vigor to fall so low that the conditions for the development of bacilli of consumption were provided. IT IS DELIBERATE SUICIDE. Consumption cannot develop in the presence of the land of the lan cannot develop—in the presence of bodily vigor. The individual who allows himself to believe that tiredness and weakness and debility ends with these symptoms is a fool, for he only faintly realizes his dangerous position. Sow weakness, you reap consumption.

Pinkham's Vegetable Compound.

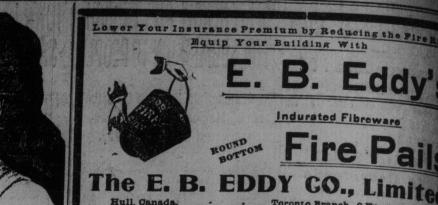

Of all the diseases known with which the female organism is afflicted, kidney disease is the most fatal. In fact, unless prompt and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Mrs. Pinkham, early in her career, gave careful study to the subject, and in producing her great remedy for woman's ills—Lydia E. Pinkham's Vegetable Compound—made sure that it contained the correct combination of herbs which was certain to control that dreaded disease, woman's kidney troubles. COAL KING EAST
