

Some will say, we have no time to canvas. Reader, we care not who you may be, if you have but five minutes each day, you may secure at least one subscriber and make 40 cents. Surely that will pay for the time expended. But you are not obliged to neglect or leave your other business. To those who do not care to take an agency we make the following liberal offer of

PRIZES.

To any one sending in a club of 3 we will send paper for one year and our 4 beautiful Chromos free.

To any one sending in a club of 6 we will send paper for one year and one of our Celebrated Wash Tub and Wringer stands, charges paid. These stands retail at from \$2.50 upwards, but having bought the patent we can afford to give them away in this manner.

To any one sending in a club of 20 we will send our paper for one year and our Gent's Imitation Gold Watch.

To any one sending in a club of 35 we will send paper for one year and one of our Favorite Sewing Machines.

Please take notice.

IN CONCLUSION.

Dear reader, in a brief manner we have placed our business before you. If you are in want of work, we assure you that you cannot do better than engage with us at once.

You will observe that ours is not a small paper, but that it contains more reading and illustrations than any other that we know of; and also observe that we give four beautiful Chromos free with each subscription, which makes canvassing very easy. The four Chromos would sell alone very fast, for a dollar for the four; but we had them gotten up to help give our paper a still wider circulation, and cannot allow them sold separate at any price.

If you are so situated that you cannot take an Agency, we should be pleased to receive your subscription to our paper; \$1.00 will secure our large paper one year and the four beautiful Chromos, alone well worth \$2.00.

If any one orders the paper and Chromos, and is not satisfied, we will refund the money, whether they subscribe of an Agent or send their subscription direct to us. In fact, we mean to give entire satisfaction, and if anyone is dissatisfied we mean to satisfy them on their own terms.

We are satisfied ourselves that we have the best business before the public, and are sure that we can prove to any Agent that we have. It will cost you but 40 cents to procure our outfit and see for yourself, and then if you are not satisfied the business will pay you, you may return the outfit and receive your 40 cents back and pay for your trouble.

Hoping to receive your order for an outfit by return mail, we are

Faithfully yours,
