Take Over System?

There will be a strong opinion that the company is bound by its franchise and that the city will not take seriously the proposal to alter that agreement. The company, on the other hand, will advance the necessity for more revenue to improve service, and it is sald will promise a policy of steady improvement until the expiration of the franchise.

The franchise provides for the taking over of the system on a valuation by arbitration. The street railway believes the city would rather take over a good system than a junk heap. The question has not yet focussed full attention at the city hall.

Popular Secretary.

Popular Secretary,
Pte. Eric Ross Goulding was the
unanimous choice of the meeting for
the secretary's chair. Assuming his
duties of office he thanked the members for their expression of confidence,
and stated that he considered it an
honor to hold a position in such a
worthy society. "There are many faces
here I know, but how many without
that peculiar look which comes of having looked upon those things forbidden
to the eyes of usual men. You and I
know, therefore further words are unnecessary," he said.

Pte. Goulding also spoke a few words
of eulogy for Major W. N. Ashplant, who
"went west" on the field, asserting that
he would be remembered for his bravery.
President Garrett suggested that an

Other officers elected were: Honorary president, Lieut.-Col. Alex. A. Wilson; honorary vice-president, Major H. T. Rance; vice-president, Sergt. E. A. Pocock; treasurer, Capt. J. L. Richmond. Brig.-Gen. Shannon will be asked to be present at the next meeting to inaugurate the club. Col. Wilson and Major Rance, it is expected, will also be present. The bugle band will also be engaged for the occasion.

A meeting of the executive will be held on Friday evening at 8 o'clock at the old Princess avenue school.

The members' roll was opened Saturday evening and 54 names were entered.

Samuel Barr, aged 23, of Clinton, was instantly killed some time between 5:30 and 6 o'clock on Saturday evening by being struck by a passenger train on the main line of the Grand Trunk half a mile west of Hyde Park. After being killed Barr was, it is believed, struck again by another train, as his body was badly mangled when found about 8 o'clock.

He was employed on the G. T. R. section gang, and when he did not re-PRACTICAL DAIRYMAN MAY BE PLACED ON CHEESE COMMISSION

Frank Boyes, ex-reeve of Dorchester, was one of the deputation of 500 dalrymen, who waited on Hon. T. A. Crerar, minister of agriculture at Ottawa, with a request that a higher figure be set for cheese this year. A lengthy memorial was presented, showing that the cost of production was much greater than ever before, and that as cheese was one of the staple foods for the soldiers, it was necessary to increase the price, if the industry was to flourish.
