Debentures Are Safe Investments

Read what an official of the Loan Company Inspection Department of the Ontario Government said regarding the stability and safety of debentures "I have been in this office for over twenty years, and I do not call to mind a case where a cent was lost to an investor through buying debentures of loan companies in Ontario."

We issue debentures on sums of \$100 and over for a term of from one to five years, with interest at

With the vastness of the war's first impetus there may have come to Wilof days until he started for the front. liams even then the thought that he, too, might some day be called upon to sur-render the racquet for the gun. Or perhaps it never occurred to him that his country would be called in. Three years have brought about more than a trifle in the way of change. Wilding has passed on to the Far Country, and Williams has played in his last

tennis tournament until the war is over.

McLOUGHLIN'S LAST STAND.

That 1914 tournament recalls McLoughlin's brilliant finish at the top. It will take more than wars and battles to remove memories of his play that August week against Brooks and Wilding, the Nonparelis from around the World.

That last stand undoubtedly contributed in part to the Californian's dealing. August week against Brooks and Wilding, the Nonpareils from around the World.

That last stand undoubtedly contributed in part to the Californian's decline.
In overcoming two such marvels in one week, part of the old vitality was turned away—part of the ancient dash was removed—and from that point he had but one way to go—and that was back.
