10 Years of Eczema—A Sample Cured Her

Are you reading the weekly Canadian letters, telling stories of suffering from skin diseases and how cure was effected?
Here is part of a letter from Mrs. Henry Harvey, Black Lake, Que. Write her if you desire.
"Ten years of eczema on the face. Treated unsuccessfully by doctors. A sample of D. D. D. cured me, etc."

The proof of the pudding is in the eating. When a prescription for skin disease has letters of cure and endorsement from nearly every city and town in the Dominion, surely it is enough to convince the most skeptical.

When Purchasing a Phonograph Remember the BIG THREE!!!

The three most important things to remember when purchasing a Phonograph are the Singing Throat, Tone Chambers and Sound Horn.

The STARR Phonograph is justly famous for all these three on account of the exclusive use of Silver-Grain Spruce. This is the reason it was awarded the Gold Medal, Blue Ribbon and Grand Prize against all competitors at the Panama Exposition.

REMEMBER, the STARR you buy today, no matter what style, has exactly the same good points and the same wonderful motor as the one that had been awarded these great honors.

DR. THOMAS' ECLECTIC OIL
GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and find that the ringing in your ears is getting worse, or if you have roaring, rumbling, hissing noises in your ears, go to your drugist and get one ounce of Thomas' Eclectic Oil (double strength), and add to it a quarter pint of hot water and a little granulated sugar. Take one tablespoonful four times a day.

This will often bring quick relief from the distressing noise. Clogged nostrils should open, breathing become easy, and the mucus stop dropping into the throat. It is easy to prepare, costs little, and is pleasant to take. Anyone who is threatened with Catarrhal Deafness or who has had noises should give this prescription a trial.

SPRING IMPURITIES MEAN WEAK BLOOD
A Tonic Medicine Is a Necessity At This Season.

Dr. Williams' Pink Pills are an all year round tonic, blood builder and nerve strengthener. But they are especially valuable in the spring when the system is clogged with impurities as a result of the indoor life of the winter months. There is no other season when the blood is so much in need of purifying and enriching. In the spring one feels weak and tired—Dr. Williams' Pink Pills give strength. In the spring the appetite is often poor—Dr. Williams' Pink Pills improve the appetite, tone the stomach and aid weak digestion. It is in the spring that poisons in the blood most often find an outlet in disfiguring pimples, eruptions and boils. Dr. Williams' Pink Pills speedily clear the skin because they go to the root of the trouble in the blood. In spring anaemia, indigestion, neuralgia, rheumatism and many other troubles are most persistent because of weak, watery blood, and it is at this time when all nature is working to get rid of the old and to make room for the new, that the blood must be seriously renewed. Among the many who have proved the value of Dr. Williams' Pink Pills is Mr. Archie D. Carson, of Toronto, N. S., who says: "For a number of years I was bothered with pimples which would break out on my face and body. The trouble was allayed in the spring, and although I tried different treatments, without much success. In the spring of two years ago, the trouble was worse than usual, and although I was taking medicine it did not help me until I finally decided to try Dr. Williams' Pink Pills. Under this treatment the pimples disappeared, and there has since been absolutely no return of the trouble."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
