COURTENAY BAY No one has been very seriously impressed by any statements yet made by Mr. Morse of the Grand Trunk Pacific, since he was very indefinite in regard to his company's intentions with regard to the port of St. John.

As already stated in the despatches, Sir Thomas also discussed the tariff question, and on this point said: "But besides this transportation policy we should have a wise, prudent and statesmanlike tariff policy."

A NOTABLE SPEECH In an address at the board of trade banquet in Toronto on Monday evening Sir Thomas Shaughnessy gave expression to his views on various matters of national importance.

Senator Denville has raised in parliament the question of the future relations of the C. P. R. with Halifax. It is a question that has been attracting considerable attention of late, and the real attitude of the great railway company with regard to St. John and Halifax ought to be made known.

The expected has happened at the Republican convention in Chicago, so far as the presidential nomination was concerned. The selection of Mr. Taft was a foregone conclusion. He is a strong and able man, and will no doubt be the next president of the United States.

MRS. HETTY GREEN'S BANK FREEZES OUT UNCLE SAM Doesn't Care for His Deposits if Compelled to Pay Interest on Them.

Washington, June 18.—The Treasury Department has received from the Chemical National Bank of New York, Hetty Green's bank, which is a temporary government depository, its entire deposit of public funds, amounting to \$1,028,000.

The explanation is given that the bank does not pay interest on deposits and as it would be required to pay interest at the rate of one per cent. per annum under the terms of the new currency act, and the regulations of the secretary of the treasury the officers of the bank decided they did not care for the account.

RACE TRACK GAMBLING (New York American) Much modern sentimentality is in evidence over the inevitable outcome for horse racing in this city, and minorities of it is not genuine, being expressed by men and boys whose greatest interest in racing has been to get money out of it.

THE LONDON HORSE SHOW. London, June 19.—The International Horse Show opened its second annual exhibition yesterday at the Olympia under the most promising conditions and as was the case last year, the American exhibitors made an excellent showing, winning several of the most important prizes awarded. In the novice class for ponies, Young Mountaineer owned by Grand View Farm, Lancaster, Pa., took first against a big field. The blue ribbon for pairs of ponies over four years old went to Miss Westcott and Miss Bunham, both owned by W. J. Butterfield of Plainfield, N. J. Walter Winans' Barney and Rip were second. Louis Winans took first for pairs over 15 hands.

A NEW AERONAUT. Milan, June 18.—Leon Delegrange, the French aviator, made his first experiment yesterday before thousands of spectators, who included the prefect and the mayor, but the tests were not very successful owing to several accidents to the motor of his aeroplane. He made four ascensions, on one occasion remaining in the air for four minutes and thirty seconds. In this experiment his machine was about eight feet from the ground. The spectators warmly applauded his efforts.

Another Position. Miss Leota Dixon, of North End has been selected from the employment bureau of the Currier Business Institute to fill the position of stenographer for H. Horton & Son. Shelby, Ohio, June 18.—Fire late tonight destroyed the plant of the Shelby Tube Company, owned by the United States Steel Corporation. The loss is said to be close to \$2,000,000.

THE CARRIAGE WAITS. "The carriage waits without, my lord." "Without what, gentle air?" "Without the left-hand running board, Without the French chauffeur, Without a drop of gasoline, Six inches of rain, The span of the axle, Four pistons, and the Housatonic, The spark plug, and the coil, Without the brake, the horn, the clutch, Without the running gear, One cylinder—it beats the Dutch How much there isn't there. The car has been repaired, in fact, And you should be right glad To find that this much is intact Of what your lordship had. The garage isn't back, my lord, In perfect shape throughout; So you will understand, my lord, Your carriage waits without." —Harvard Lampoon.

IN LIGHTER VEIN. RESTED BEFOREHAND. Mr. Boreleigh—"Were you up late last night?" "No; I was rather expecting you this evening." HARD TO FIND. Dealer—"Why not take this parrot, ma'am?" "No; I want a parrot to talk to and not to talk back." LIBERTY OR DEATH. Harold—"Papa, did Solomon have 700 wives?" "Papa—I believe he did, my son." "Little Harold, you're making me the man who said 'Give me liberty or give me death'?" A SOLEMN THOUGHT. Penitently the soubrette who was touring the provinces applied the coloring mixture to her hair in the solitude of her own room. "How sad it is," she murmured, to dye so far from home." MY! WHAT A JOY! "Lynsander, (sweetly), do you know what day this is?" "Sure. Our anniversary, Margaret, dear. (pretending to have remembered it all the time)." "No such thing (tridly). It's the day you promised to mail the leg on that old kitchen chair." (Lynsander).
