MEMORANDUM

Mr. Pratt -

With reference to the revision of Hansard dealing with the Estimates, I am enclosing herewith the revised statement of Questions and Answers regarding the oil and gas rights on Indian reserves as suggested by Mr. Caldwell. I doubt, however, whether it is advisable to make any change at all.

On page 3808 you will note I have struck out the statement of the Minister that the sum of \$150,000 had been voted from the Federal Treasury towards liquidation of Indian debts. We did not vote any amount for this purpose.

The error in the designation of the school referred to by Mr. Fancher on page 3807 has already been corrected.
