MAT KETS AT A GI ANCE

"Hatdware and Metal," Sept. 16, says: One of the most notable charges in hardware thes during the last week has

imposing public buildings, universities, educational institutions, magnificent churches, fine business blocks, substantial manufacturing establishments, splendid hotels and handsome residences, the city possesses all that is calculated to make a city attractive. Evidences of prosperity and wealth are everywhere."

From "Notes by the Way," an interesting and instructive booklet issued by the Canadian Government Railways. Passengers taking advantage of the low fares—single fare for the round trip plus one dollar on Thursday, Friday and Saturday, Sept. 21st, 22nd and 23rd, good for return October 9th, should procure copy of the booklet from the principal ticket agents or by writing the General Passenger Agent at Moncton, N.B.

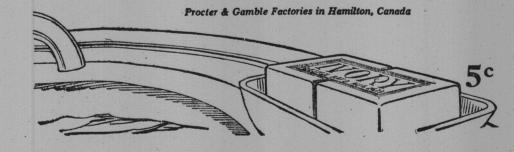

THERE are two ways to make a sweet-smelling toilet and bath soap.

One way is to use inferior materials and kill the disagreeable odor with perfume.

The other way is to use such high grade, mild, pure, clean ingredients that no perfume is needed.

Ivory Soap is made in this way. No perfume is sweeter than the natural odor of this white, pure cleanser. You will find that Ivory smells clean.

IVORY SOAP..... 99#% PURE

comfortable in fit, just correct in length, just sensible in weight, just the top notch of style, \$12 to \$28, please.
