Move in Frederick Libel Case—Will Come to Trial This Month.

Kellogg's Bran did more in two weeks than medicine taken in 20 years

Out of regard for your own health, read this letter: Dear Sir: Your "Krumbled Bran" used by me in two weeks has done more for me in two weeks than the hundreds of dollars' worth of medicine I have taken in last twenty years for constipation. It is wonderful, and it is so simple.

Report Made at Meeting of Health Board—Action in Milk Matters.

The sub-district Board of Health yesterday authorized T. M. Burns, the secretary, to take up with the Civic Power Commission the matter of extending lines for light and power to the Isolation Hospital, Sandy Point Road. The hospital at the present time gets its electricity for light and power from a paraffine engine. John Kelly, chairman, presided and Dr. G. G. Metwin, chief medical health officer of the province, was present by special invitation and gave much useful information to the meeting.

The meeting heard with regret of the illness of Mrs. Edmund Flewelling, food inspector, who was operated on in the General Public Hospital yesterday. Mrs. Flewelling's weekly reports were before the meeting and told of regular inspections carried out and of some upset conditions in the stores due to the rush of exhibition week.
