THE EVENING TIMES AND STAR, ST. JOHN, N. B., SATURDAY, FEBRUARY 28, 1920

GOOD THINGS COMING TO THEATRES OF ST. JOHN

WAS WELL WORTH WAITING FOR

Vaudeville Acts Delayed by
Train, But Made a Big Hit
Upon Their Arrival.

There was only one show in the Opera House last evening owing to the fact that the Boston train did not reach the city until after 9 o'clock with the members of the vaudeville acts. As a result many patrons had a long wait but were entertained with a number of good motion pictures, and as several exclaimed as they were on their way home, "We certainly got our money's worth."

When the acts reached the Opera House they lost little time appearing. Although greatly fatigued after their long journey they made a most favorable impression.

Byron and Price scored a hit in their comedy variety act, which consisted of comic stories, songs and dancing. Bondy brought down the house in his skit entitled "The Man from Nowhere," or a Few Minutes of Transiency. Jester and King gave a pleasing entertainment of gymnastic and acrobatic feats. Jessie Franks was well named when she was termed "The Surprise Girl." Her bag punching act was one of real merit and she deserved the hearty applause tendered. Chellis and Cortau, in comedy songs and chatter, also made a most favorable impression on the audience and received a good share of the applause. In addition there was another interesting episode of the motion picture serial, "The Midnight Man," featuring James J. Corbett. The performance will be repeated this afternoon and evening and again on Monday afternoon and evening and will undoubtedly attract capacity houses.

AN EXQUISITE FILM FROM "EVANGELINE"

Imperial Theatre Has Unusual Attraction for Monday—A Photo Tone-Poem.

Those interested in pictorial and dramatic beauty will find much that is exceedingly worthwhile in the William Fox motion picture version of Henry Wadsworth Longfellow's exquisite poem "Evangeline"—a classic the world over—which will be presented Monday at the Imperial Theatre.

First of all must be noted the beauty of the production. The land of Acadie and the little village of Grand-Pre in the Annapolis Valley, Nova Scotia, are wonderfully visualized, as are the wanderings of the unhappy Acadians after their exile. Much credit is due Miriam Cooper for her interpretation of the title role. Her mobile face reflects every thought of the unfortunate heroine, from the happy days in Acadie through the agony of the exile to the final reunion in old age with her lover Gabriel.

Spotlighted Althea, the English star, appears as Evangeline's father, James Marcus as Basil the Blacksmith, and Paul Weigel as Father Felician. That a poetic masterpiece of the delicate texture of "Evangeline" should be adapted for the screen without the sacrifice of any part of its charm as literature is an astonishing feat—and one that places the pictorial drama several steps further forward in true advancement.

RUSSIAN AFFAIRS

Question of Italy Resuming Relations—Reds Attack While Peace Proposals Are Pending.

Rome, Feb. 28.—Several deputies interrogated the government in the chamber yesterday about Italy's resumption of relations with Russia. They urged the government to follow the example of Great Britain and send an Italian representative to Copenhagen to negotiate with the representative of Soviet Russia there.

W. W. W. While the peace proposals are pending the Bolsheviks, according to a Polish communication issued yesterday, have attacked the north-eastern front in the region of Skrygaw and the Volynian front in the region of Letyczow. Both attacks were repulsed.

The newspapers announce that the Bolsheviks have renewed the fighting on both sides of the river Prypye but that the Poles are more than holding their own.

London, Feb. 28.—The Lettish Legion announces that a conference between the border states to consider the question of peace with Russia will be held soon in Warsaw. At it the foreign ministers of Poland, Lithuania, Latvia, Estonia, Finland and Rumania will be present.

London, Feb. 28.—Many foreign Bolshevik leaders have arrived in Berlin during the last few days according to a despatch to the Exchange Telegraph. The best known of the leaders is a Hungarian, Alexander Garbai, whose visit, the despatch says, is believed to be connected with the establishment of an international Bolshevik organization with headquarters in Berlin.

Alleged Proposals.

Buenos Aires, Feb. 28.—What reports to be the basis of Great Britain's proposals to the Soviet government of Russia, which James O'Grady, British representative at Copenhagen, transmitted to Maxim Litvinoff, representative of the Moscow government, are contained in a despatch from the correspondent of La Nation, in Rome, as follows:

1. Tacit recognition of the Maximist political regime.

2. Non-interference by Great Britain with respect to the internal condition of those countries separated from former Russian rule on the west, namely, Finland, Estonia, Lithuania, Latvia and Poland.

3. Non-interference by Great Britain in the affairs of Siberia.

4. Demobilization of the Red army.

5. A promise by the Bolsheviks to recognize the independence of the meridional republics, especially Georgia.

6. Non-interference by Russia with the territories on the frontiers of Georgia and Persia.

7. Payment in gold for goods exported or imported between Russia and Great Britain.

8. A regime of commercial equality for Russia and Great Britain in the autonomous states on the western front.

The correspondent says the Moscow

Night Coughs

WEAR OUT THE SYSTEM

The dry, hacking cough, cough, day and night is very wearing on the system. The constant coughing disturbs the rest and keeps the lungs and bronchial tubes in such an irritated and inflamed condition that they get no chance to heal.

You will find in Dr. Wood's Norway Pine Syrup a remedy without an equal for curing coughs and colds, soothing the lungs, loosening the phlegm, strengthening and healing the breathing organs as well as fortifying them against serious pulmonary disease.

Mrs. Fred Fairburn, Copper Cliff, Ont., writes: "I caught a heavy cold, got a sore throat and had a terrible hacking cough that I could not get rid of. I had tried quite a few remedies, but they did not seem to do me much good until I took Dr. Wood's Norway Pine Syrup. By the time I had taken two bottles my cough was all gone."

"It seemed to loosen the cough right away so that I could spit up the phlegm that gathered in my throat, and also took the hot, raw, burning fever out of my bronchial tubes. I feel that Dr. Wood's has no equal."
