Alerts Beat Glenwoods

The Alerts won a well-earned victory on the East End diamond last evening, when they defeated the Glenwoods, the league leaders, by a score of 10 to 4. Garnett pitched steady ball for the winners, while Robinson, for the Glen-

woods, was a little off, and was relieved by O'Regan in the second inning.

South End League

The Victorias, by defeating the St. James in the South End League fixture last evening, jumped into second place in the league race. The score was 7 to 8, and the batteries were: For the winners, Olive and Gorman; for the losers, Kilpatrick and Henderson.

Game this Afternoon

The Glenwoods will meet a picked team from the other teams in the East End League and a rattling good contest is expected.

E. D. C. Boys Ready.

Twenty members of the Every Day Club met last evening in their room and organized a baseball team. An official challenge was then issued to any boys' team in the city, the game to be played on the East End League grounds.

St. Luke's Won.

The game in the Church League on Thursday evening was won by St. Luke's and not Trinity as previously stated. The score was 16 to 4.

Helena Men Won

A picked team from the government steamer Helena, which is on its way to Montreal from this city, played a game of baseball with the Gaspe team on Monday, and the contest resulted in a victory for the government men, 9 to 7. Spicer and Landers formed the battery for the winners, and Landers distinguished himself by hammering out a home run.

They Get a Bat

The Centennial baseball team have been made the recipients of a baseball bat, donated by Mr. Case, of Bristol, Conn., to mark their victory over the Alerts on the East End grounds last Saturday. The score was 12 to 4. The teams were: Centennials—Callaghan, c.; Chestnut, p.; MacNeill, lb.; Burns, 2b.; Gleason, 3b.; Braggs, ss.; H. Pierce, lf.; McHugh, rf.; L. Pierce, cf. Alerts—Barry, c.; Stuart, p.; Bowes, lb.; Stedman, 2b.; Welch, 3b.; Parlee, ss.; Short, lf.; McGraw, rf.; Thorne, cf.

A Good Game

The fastest game of baseball—and it was the real article at that—that has been seen on the Polo Grounds at Little River this season was played last evening when the home team noosed out a victory from the East St. John aggress-

tion by the close score of 4 to 3. The presence of "Doc" Malcolm on the third sack for the visitors helped considerably, but not sufficiently to score a victory. Stewart and Money, for the winners, formed a battery that the East St. John men could not get away from, while the working of Sterling and Rose, for the vanquished ones was well up to the average. The visiting team was accompanied to the grounds by a large number of fair rooters, and it was whispered that to them might be ascribed the cause of the defeat of "their heroes," for their cheering made the boys a little over anxious.

Fairville League

In the Fairville League last evening the Royals proved superior to the Athletics in a 7 inning contest that brought out the best work of each team. The score was 7-2. For the Hanlon men, Keenan crossed the home plate three times, and O'Regan twice, while Sexton and Phil Perry each recorded a score. Connery and Campbell brought in two runs for the Athletics.

The feature of the game was the work of the Athletics' pitcher, Joyce, who had ten strike-outs to his credit. It was his game all through, and with heavier batting on the part of his team-mates and more snappy fielding a different result might have been reckoned on. Joyce struck out men who have never been fanned this season, and is a strong ac-

quiltion to the Athletics' line-up. He was well supported behind the bat by O'Brien.

Phil Perry represented the Royals on the mound and pitched good ball. He is a careful exponent of the art usually, but last evening two men were hit with balls, Clark and Hanlon.

Sexton hit a beautiful fly to right field, where the ground is uneven and grassy. The fielder could not connect and Sexton scored.

In the first half of the last inning with the Athletics at bat, Connery running to second, was tagged by Keenan, who afterwards dropped the ball unseen by the umpire. This caused some controversy, but McKinnon's decision stood.

SAFETY FIRST

Goodrich Safety Tread Tires

Five Bars and a Cross Tie—The Safety First Symbol
The Tread that makes the Brake Effective

Goodrich quality is essential for "Safety First" in tire service

Goodrich Tires are the standard by which all other high grade tires are judged. They are the accepted standard because of their quality.

We have never made better tires than you get when you buy Goodrich Tires today. This is because of Goodrich improvements in curing rubber, in inspecting fabric and in manufacturing methods.

And for that same reason you can buy Goodrich Tires today at lower prices than ever before—lower than you can purchase any other high grade tires.

Goodrich tires never carried better value to the user than right now.

This means a great deal more than the money-saving feature—it means dependable wear and quality service.

And now the Goodrich Safety Tread Tire—with its five bars and cross tie, the Safety Tread Symbol for the motorist—gives you non-skid and non-slide protection every day in the year.

It gives you longer service, better riding and longer mileage because of the extra thickness of tough Goodrich rubber in the treads at the point of contact with the road.

The thick, tough, Goodrich rubber fingers dig down and grip the roadway. They stop the skid before it starts. They make the brake effective.

Take no chances. Equip at least the rear wheels now with the Goodrich Safety Tread Tires.
