

ST. CROIX TRIMS MARATHONS TO TUNE OF 7-12

N. B. and Maine League Standing

Team	Won	Lost	P.C.
Fredericton	8	24	.518
Marathoners	39	29	.574
St. Croix	31	28	.525
Bangor	18	45	.286

St. Croix pounded Donchan heavily in the game with the Marathoners yesterday and won by 17 to 12 though the Greeks had the game clinched more than once. At the first of the ninth with the tally 12 to 11 in favor of the home team, Shanley was sent in place of Donchan. The St. Croix swatters kept up, however, and made six more runs. There were many errors during the game. The arrival of Pitcher Conley and also another catcher, named White, who reached the city last night, will strengthen the Greeks, and it is hoped will start a winning streak. Both teams yesterday played under difficulties but to their credit there was a fine spirit of battling every minute shown by both of the men.

Fredericton 5; Bangor 1
Five to one was the score at the end of an uneventful game in which Fredericton beat Bangor yesterday. Excitement in the third inning when the Pets made two errors the Maine team was not dangerous. Condon pitched a good game for seven innings and then retired in favor of a new man, Donovan, who allowed two hits and struck out three men in the two innings he pitched.

Fredericton got two runs in the first inning on two hits and two errors. A home run by Keane, a double by Dugan and Stone's single netted two more in the third. Keane scored again in the fifth. Both sides were retired without trouble in the four remaining innings.

New Battery Arrives
Pitcher Conley who has been with Lynn came in on the Boston train last night accompanied by a catcher named White. Conley will pitch in the game against St. Croix this afternoon.

The Bangor Team
Bangor Commercial—the Bangor team appears to be just striking its gait as the end of the season is about reached and may be counted on to make much trouble in the remaining games for the teams struggling for the championship. Better late than never, and there is the consolation that if the league is in being another season Bangor will start on at least even terms with the other aggregations.

MORNING LOCALS

A considerable difference of opinion prevailed as to the best direction in which to build the building. Although it came out that nothing will be done this year, another meeting will be held about the question of building finally.

Here's Donlin

Mike Donlin one time great slugger of the New York Giants, has broken into the International League with a third. At Jersey City, playing for the Stingers, he produced a double, a single, stole two bases, and scored three runs.

The Royals

President Lichtenhein, of the Montreal club has a line out on a major league pitcher to strengthen his team. Just who the twister is he refuses to make public until he gets more information. The player, who has been playing in one of the major leagues, was offered him by wire but no terms were mentioned.

President Lichtenhein laughs at the statement made in New York that the major league clubs have come to an agreement to withdraw their players from the International League with a third. At Jersey City, playing for the Stingers, he produced a double, a single, stole two bases, and scored three runs.

HE NOW BELIEVES IN "FRUIT-A-TIVES"

Because He No Longer Suffers With Headaches

Taylorville, Ont.
"I was a sufferer from Fearful Headaches for over two years. Sometimes, they were so bad that I was unable to work for days at a time. I took all kinds of medicine, was treated by physicians but yet the Headaches persisted. A short time ago, I was advised to try 'Fruit-a-tives' and I did so with, I must confess very little faith. But after I had taken them for three days, my Headaches were easier, and in a week they left me."

After I had taken a box of these tablets, my headaches were quite cured. My appetite was always poor and my stomach bad—and now my appetite is splendid and my digestion excellent.

I had become thin and weak from the constant Headaches, but now not only have I been cured of all these awful Headaches, but my strength is growing up once more and I feel like a new man."

Horses and mules and were somewhat lower. Retail prices were comparatively steady during July. Eggs and hog products advanced, while butter showed a general decline.

Should Say Not
"I heard that you were going to marry Archie Bluebird, Father. Is it true?" asked one young society woman of another. "Marry him! I should say not! Why, I wouldn't know what to do with him. He can't ride, play tennis, golf, or drive a motor-car." "Well," said the friend, "he can swim beautifully, you know." "You wouldn't want a husband that you had to keep in an aquarium, would you?"

Put Jim Flynn Out of Running

FROM T. S. ANDREWS

Milwaukee, Aug. 20.—With the defeat at the hands of Gumbo Smith in New York last week, Jim Flynn will probably retire from the roped second. This new man equals the time made by Uhlman, the champion trotter, two years ago.

It was announced that owing to the accident that Uhlman met with on Tuesday afternoon when he struck his quarter foot in rounding the turn, the champion would be unable to go against his record of 2:02 3/4 today.

THE RING

News of the Boxers

Jack Dillon, an Indianapolis middleweight, had a close call in that city the other night when his auto turned turtle, plunging him under it. He escaped serious injury.

Boj McAllister, ex-amateur middleweight champion of Ontario, and Sailer Petrovsky, who recently met in a 26-round bout, have agreed to meet again in San Francisco on Sept. 9.

Young Joe Shugrue, a Jersey City lightweight has postponed his bout with Jack Britton, which was scheduled to take place in New York on Sept. 10, until the early part of October.

Young Ernie of Philadelphia is perturbed because his record has been taken out of the boxing record book. He regards it as an insultation that he is a "has been" and to show that he is not, he offers to meet any welterweight in the United States.

Alec McLean manager of Gilbert Gallant has sent the latter to the woods in northern New Hampshire to live outdoors for several weeks. McLean figures it will do Gallant a world of good and when he returns after Labor Day he is to be matched against one of the best welterweights in the States.

CHAMPION WON

Harry Tresidder, a clever Toronto runner, who was defeated by Kolehmainen, Finnish Olympic champion, in a special three mile race at Hamilton, Ont., on last Saturday.

Ottawa, Aug. 20.—Hon. T. W. Crothers, minister of labor, left the capital this afternoon for a jaunt to England on government business. Mr. Crothers is accompanied by Mrs. Crothers. They sail on the Empress of Britain from Quebec tomorrow and will be absent until October.

The minister of labor ingeniously announces that he is going to study coal mining conditions in Great Britain and how to settle miners' strikes. Last month Mr. Crothers accompanied by his law partner, Samuel Price, of St. Thomas, had a pleasant trip across Canada to Vancouver Island at the public expense, and on a similar mission. The recent riots among the strikers at Nanaimo and the continuance of the strike testify to the results of Mr. Crothers' and Mr. Price's joint efforts.

It is stated on good authority that Mr. Crothers will, with the hearty consent of Premier Borden, leave the government at the conclusion of next session and accept a position on the Ontario court bench.

E. A. Lancaster, M. P. for Lincoln, and chairman of the Railway Committee of the house of commons, was again in the capital today pursuing his quest

of an Ontario high court judgeship. He has been here frequently of late on the same mission. It is understood that the mission has finally proved successful. Mr. Lancaster will get one of the vacancies expected shortly through the retirement of Justice Boyd and Britton on superannuation.

A. R. Boyce, M. P. for West Algoma, has been virtually promised the appointment to fill the second vacancy. A third member of parliament, O. S. Crockett, of York, New Brunswick, has been promised appointment to the New Brunswick Supreme Court.

It is unlikely that the appointments will be made for some weeks yet. The government and the by-elections in South Bruce, South Lanark, East Middlesex and Chateaugay will probably be pulled off first to see how the political winds are blowing.

An old Irishman was offered a post at a level crossing near a small railway station. He looked dubious as the duties of the office were explained to him and the meaning of the various flags was stated. "In case of danger with a train coming you wave the red flag," said his instructor, proceeding with his explanation. "Man, it'll never do!" said Patrick, shaking his head solemnly. "I could never trust myself to remember to wave a red flag when there was a green wave handy!"
