Modern Style Pleating Machine

We can do pleating of any kind of material and any width up to 34 inches wide, in wide or narrow pleats. The charge of pleating is from 3 to 5 Cents Per Yard.

Our Sponging Machine is kept busy by wise people who will not make up nice material without having it sponged. If material is shrunk or sponged it will keep its appearance much longer, keep the shape and will give much better satisfaction than if it was made up without shrinking or sponging. We sponge cloths up to 50 inches wide, for 5 Cents; above 50 inches, 7 Cents Per Yard.

We can make any size Button from cloth that you may furnish to match a suit. We also have the BONE RIM BUTTON, the large size, these with centers of the same cloth as suit makes as pretty a button as one could ask for.

Father Hogan, C.S.S.R., and there was also the renewal of the baptismal vows. He appealed to the women present to adhere faithfully to the promises made during the mission. In the morning at 10:30 Rev. Father Walsh, C.S.S.R., gave an able sermon on "Faith," dwelling upon the fundamentals and warning the people to remain strong in their faith in these days when there were so many temptations.

Parker, the Gloucester fisherman found sailing alone about eighty miles south of Nantucket and brought to this port by the revenue cutter Greavesham with a prize crew from steamer Astrakhan aboard, is at anchor in the harbor here still flying the flag of England, which Mate John D. ASKS FOR PENITENTIARY TERM AND HE GETS IT

Montreal, Nov. 10.—"You have already served several terms in jail, so I will send you here for twenty months," said Judge Basin to Joseph Desaulniers, who had been found guilty of stealing a horse. "If it would be all the same to you, Your Honor, and if you would only be kind enough, I would rather you would send me to St. Vincent de Paul penitentiary for five years. I have never been in the jail at Bordeaux, but I have been in the old jail, Your Honor, and I question my use of old methods in the penitentiary for five years than to jail for twenty-three months."

THEY WILL COME BACK AGAIN

Indiana Huntsmen, Here on Saturday, Had Good Sport in New Brunswick Woods

Four citizens from across the border who, during the last ten days, have been in the woods, a few miles from Tracy station, have good reason to say that "New Brunswick is a fine game country." That they firmly believe it is shown from their having expressed the intention to return next fall in the shooting season. The sportsmen are—Arthur Hicks, Harold Nagasoff, Frederick Eynes and Harry Shelley, all of Fort Wayne, Indiana, who left on Saturday night for their homes after having been in the woods on a hunting trip in company with Wm. E. Shea, a well known C. P. R. brakeman of North End.

The game, they said, was very plentiful, and they practically had a choice of heads to pick from. They brought down three fine moose and six deer, besides game birds, and were well pleased with every specimen. The party are all experienced hunters, and carry an up-to-date portable camp outfit, while Mr. Shea, whose skill with the rifle has been the cause of the fall of much game, says the most practice he has ever seen in use. The five huntsmen had as guides, Wellington, Arthur and Allan Phillips, of Tracy station, of whose ability they speak well.

This morning in St. John's manse Lemuel Wilcox Strang and Miss Isabel D. Dickson, daughter of Mr. and Mrs. D. Dickson of St. John, were married. They left for a trip to Boston and Montreal.
