This is the Union Label of the

UNITED HATTERS OF NORTH AMERICA

When you are buying a FUR HAT, either soft or stiff, see to it that the genuine Union Label is sewed in. If a regular hat is bought in the possession and offers to put one in a hat for you, do not believe in any explanation why the hat has no label. The genuine Union Label is perforated on the four edges exactly like the genuine Union Label. The label is made of a special material and is not torn by the heat of the iron.
