60 Market St., Melbourne, January 23rd, 1907. January 23rd, 1907.

Sir:—I have the honor by desire of the president and council of this chamber to request you to be good enough to place before the president and members of your chamber the information that an exhibition will be held in Melbourne, Victoria, Australia, during the end of 1907, to be designated the "Australian Exhibition of Women's Work".

With the view of affording the president and members of your chamber the means of forming some idea of the objects which this exhibition seeks to attain, I beg to forward under separate cover: (a) A list of names of those who have undertaken to serve on the committee, in which you will see that Her Excellency the Lady Northcote is president, and that Her Majesty Queen Alexandra is patroness; (b) Special circular for exhibitors abroad. (c)
Two cards; (d) Label, In asking for the Two cards; (d) Label, In asking for the support and co-operation of your chamber, my council is fully aware that much of the success of the enterprise will depend upon the assistance given by such bodies as your own, and my chamber would be greatly pleased if you would give the greatest possible publicity to the scheme of the exhibition and secure as many helpers and exhibitors as possible. Thanking you in anticipation for your

'FRISCO MAIL

FROM AUSTRALIA

Withdrawal of Oceanic Steamship Company May Have Important Bearing on Victoria.

(From Wednesday's Daily.)

The arrival of the Alley liner Pond Captain Large, at the outer wharf this morning brings into prominence a ques tion which may have a great bearing on the future of Victoria as a port. Sh brought from Australia 33 sacks

purely a freight carrier, bringing mails to this port is owing to the break down of the Oceanic steamship service, which here above once a month. It is not of that route, namely the Sierra, Soknown yet what move the government will take in this matter, but it is certain moma and the Ventura, have been taken off the run as the service was tain that in view of the increasing activity in Queen Charlotte Island, some to lack of a measure will be adopted by which that subsidy. For the first time therefore sland will be placed in constant com- since the institution of a mail service between the American continent and Australia, mails for San Francisco have been landed at this port. The withdrawal of the steamers of

the Oceanic Steamship company from the San Francisco service has somewhat upset the plans of the Union Steamship company regarding their vessels plying on the Victoria-Australia route. It was decided at first to Instead of the Miowera going off the

run, the new plans of the should they materialize, include the laying off of the Moana and her place being taken by the Miowera. The Moana is due to reach port this afternoon and will probably bring with her news of the company's intentions. In view of the increased traffic the company is further endeavoring to see a new vessel for the Victoria run It is probable that this steamer when secured will be a fast type of vessel. and will be the forerunner of other vessels establishing a fast mail service

between Victoria and Sydney.

Enquiries are flowing in to the local offices of the C. P. R., the agents of the Canadian-Australian line, from San ancisco for passenger acco tion on vessels sailing from Victoria to the Antipodes. Freight booked to Ausralia from the Golden Gate is sent t Vancouver, and from there shipped on the liners. The passengers come on the Pacific Steamship company's ves-sels, which during the last few trips have carried a very long list. On board the Moana, which is due to reach here to-day, there are 40 passengers for San Francisco, who, should they a rive in time, will be carried south

the steamer City of Topeka which sails from the outer wharf to-night. The Pondo, which reached port at 7.15 a. m. to-day, had an uneventful voyage across the pacific. The first few
