GENERAL NOTES AND NEWS.

If you should bone a shad you would find that there wasn't any shad.

An old and well tried remedy is Baird's French Ointment. By its use Salt Rheum, Fever Sores, Ulcers &c., are soon healed. It will cure the Itch in a few days.

The people of the United States pay more in the aggregate for sugar than for flour.

Advice to mothers. Many children suffer and die from no other cause than an excess of Worms in the Stomach or Intestines, to avoid this give Dr. McLean's Vegetable Worm Syrup any child will take it.

The king of Spain is now 17 months old. His salary is $1,000,000 a year.

Reliable.

"I have used Dr Fowler's Extract of Wild Strawberry, and found it a sure cure for summer complaint. I was very sick, and it cured me entirely." Alexander W. Grant, Moose Creek, Ont.

A clock, whose dial is to be fifty feet in diameter, and which is claimed as the biggest in the world, is in course of construction in New York, and is to be placed at Manhattan Beach.

On The Verge Of Starvation.

"For three months I could not eat a full meal or do a day's work. I bought a bottle of Burdock Blood Bitters, began using it and in three days my appetite returned, in a week I felt like a new man. It was wonderful what that one bottle did for me," writes Arthur Allchin, of Huntsville, Muskoka, who suffered from Dyspepsia.

In the ancient city of Damascus, which was a place of importance, 1,900 years B. C., plans are being made for laying railroad lines through the streets. The city has 120,000 inhabitants.

Quite Correct.

"I have used Dr Fowler's Extract of Wild Strawberry, and found it the best remedy I ever used for dysentery and all summer complaints among children, and I think no household should be without it." Mrs. A Baker, Ingoldsby, Ont.

The advance of education in India is marked by the post-office statistics for the ten years ending March 31, 1886. The number of letters increased from 119,000,000 to 238,000,000 per annum, and the increase in the number of newspapers was no less than 115 per cent.

A Fact Worth Remembering.

Mr. Jas. Binnie, of Toronto, states that his little baby when three months old, was so bad with summer complaint that under doctor's treatment her life was despaired of. Four doses of Dr. Fowler's Wild Strawberry cured her, she is now fat and hearty.

The heaviest railway suit ever fought in Canada has just been concluded between the C. P. R. and Connell and McLellan, The latter have been overpaid upon their contract one hundred and sixty thousand dollars, which the arbitrators awarded to the C. P. R. The lawyers pocketed fifty thousand dollars out of this suit, and the arbitrators nine thousand.

A Pleasing Duty.

"I feel it my duty to say," writes John Borton, of Desert, P. Q., "that Burdock Blood Bitters cured my wife of liver complaint, from which she had been a chronic sufferer. Her distressing, painful symptoms soon gave way, and I can highly recommend the medicine to all suffering as she did."

Up in London, Ont., there is an agitation in progress in favor of the non-delivery of milk on Sunday. A man is not obliged to shave on Sunday, it not being a work of necessity, but as the cows have to be milked it would appear silly not to deliver it to those who require it. A weekday cow that will give a double supply of milk on Saturday, has not yet been invented.

A Radical Change.

"I had got so bad with dyspepsia that I hardly cared whether I lived or not," says Frank A. Swain, of the Toronto *Globe* Office. Three bottles of Burdock Blood Bitters cured him, and he says, "it now seems a pleasure to live."

A gentleman hunting for land in Dakota came across a boarded-up claim-shanty with a half-dozen boards across the door, upon which were the following touching inscriptions:

"Four miles from a nayber.
"Sixty miles from a postofis.
"Twenty-five miles from a raleroad.
"A hundred and atey from timber.
"250 feet from water.
"God bless our home.
"We have gone east to spend the Winter with my wife's folks."

Chronic Coughs and Colds

And all Diseases of the Throat and Lungs can be cured by the use of Scott's Emulsion, as it contains the healing virtues of Cod Liver Oil and Hypophosphites in their fullest form. See what W. S. Muer, M. D. L. R. C. P. etc., Truro, N. S., says: "After three years' experience I consider Scott's Emulsion one of the very best in the market. Very excellent in Throat affections." Put up in 50c. and $1 size.

Sir Peter Lumsden lately read a paper before the Royal Geographical Society, in which he describes a lake in Asia about six miles long, the bed of which is one solid mass of hard salt, perfectly level, and covered by only an inch or two of water. To ride over it was like riding over ice or cement. The bottom was covered with a slight sediment; but, when that was scraped away, the pure white salt shone out below. How deep this deposit may be it is impossible to say, for no one has yet got to the bottom of it.
