

## LOCAL RED CROSS SOCIETY HAS HAD VERY BUSY MONTH

Reports at Monthly Meeting on Monday Convey an Idea of what has been Accomplished by this Enterprising Organization.

Among the most interesting of the communications received from overseas and read at the monthly meeting of the Local Red Cross Society on Monday afternoon, were three that are of general importance. One was received by His Honor Governor Wood from the British Red Cross, and is an appeal for Trafalgar Day to be observed on Oct. 19th, by an Empire-wide collection for the benefit of the sick and wounded soldiers and sailors. Last year the Local Red Cross donated \$1,000 to this appeal, which was made in St. John by the Mayor of the city through which channel it will doubtless again appear.

A second appeal was for beds for a new hospital for Canadian wounded to be established at Ramsgate, the hospital will be known as the Princess Patricia. Seven hundred beds are needed; \$50 will establish a bed. Persons desirous of responding to this appeal are asked to send other donations to the secretary of the Local Red Cross, Chapman Hill, St. John, who will forward all donations to headquarters through Lady Tilley.

The third appeal, which it is within the power of almost every one to respond to is for Christmas stockings for Canadian sick and wounded especially, or for the sick and wounded Allies. Arrangements are being made by which the Local Red Cross will give out stockings to be filled with a list of suggested contents. The stockings will be packed and forwarded to Lady Drummond. Information regarding these stockings, of which 15,000 are needed, may be obtained from the local depot. It is earnestly hoped that this appeal will be generously supported.

The reports from the convenor of needlework, Mrs. F. S. White, showed that during August 2,460 articles had been received in this department, including 443 towels, 233 pajama suits, 429 hospital shirts, 202 hospital caps, 41 operation stockings as well as many other smaller necessities for the hospitals. Among the donations to this department were 100 tins of either from Mr. Walker Craibe of Detroit; Never Despair Division, Welsford, per E. J. Douglas, 4 pillow slips; Soldiers' Aid Society, Riversdale, Albert Co., per Mrs. J. E. M. Carnwath, 21 hospital shirts, 2 quilts; Mrs. John White and Mrs. Howard McCully, Pettitcodiac, 2 100-yd. rolls absorbent cotton; 7 lbs. absorbent cotton; Catholic Red Cross, Mrs. T. L. Coughlan, 9 pillow slips; De Monts Chapter, I.O.D.E., tape and safety pins; Mrs. F. E. Craibe, 1 package linen.

Mrs. White asks that all goods and reports for September be sent in before Sept. 30th, as the annual meeting of the society will be held on Monday, October 2, and it is necessary to close all books for the year before that date. She requests applies to all departments of Red Cross work.

Mrs. Vroom, for the needlework, reported 611 pairs of socks received during August for the Red Cross, and 78 pairs received during same period for National Service Committee, making a total of 689. Six boxes of socks were packed and shipped. Donations of socks were received from Loyalist Chapter, I.O.D.E., 53 pairs; Mrs. Maibon, Boston, Mass., 3 pairs; Mrs. Alfred Morrissey, 3 pairs; Catholic Red Cross, 2 pairs; High School Alumnae, 1 pair; Mrs. Lawson, 10 pairs; Mrs. Thos. Stead, New York, 1 pair; Andy Croft, 6 pairs.

The shipping department sent out, during the month, 23 boxes of supplies. The work of the Conservation Committee was reported by Mrs. Vroom in the absence of the convenor, Miss Stetson. One carload of waste paper has been shipped to Montreal and a second is now filling. Clean waste paper of all grades is asked for. Reports were read from Duck Cove Red Cross Circle, whose summer meeting are now closed. The president, Mrs. Adams, reported the making of 1,500 articles, and the raising of \$281.50, \$82.00 of which was due to the efforts of the young people of the Duck Cove colony, under the leadership of Edward Ellis. Stone Church Circle reported through Mrs. F. Fisher that the summer work included 60 pairs socks, 21 hospital sheets, 10 suits pajamas, 7 quilts and \$75.00 in cash. For the Catholic Red Cross the following report was made by Mrs. T. L. Coughlan: 133 hospital shirts, 61 pajama suits, 82 field shirts, 15 dressing gowns, 5 quilts, 9 pillow slips, 7 pairs slip-

pers, 13 laundry bags, 15 rest cushions, 237 bedside bags, 107 U. bags, 204 wringers, 89 hot water covers, 2 personal property bags, 21 handkerchiefs, 68 face cloths, 300 pairs socks, with donations as follows: 9 pillow slips, large roll of adhesive plaster, 7 pairs socks. Cash donations: Knights of Columbus' reception, \$300.00; lottery of doll, \$300.00; parlor concert by Miss Bernice Mooney, \$15.00; life membership fee, \$25.00; regular membership fee, \$2.00. Total, \$642.00.

The work of these circles, which are but a very few of the numerous organizations still to be heard from, shows clearly how earnestly the work of the Red Cross was carried on during the summer months. Mrs. W. O. Dunham, who spent a few months in England, kindly placed some features of the Red Cross work as she saw it before the gathering, in a brief article which was read in her absence by a member of the society.

Mrs. McAvity explained the need for the comfort bags which are now being made by the society in response to an appeal from headquarters. These bags, filled with necessities, become the property of the men in the hospitals. The secretary, Miss Walker, read the treasurer's report as follows:

## HIGHEST PEAK IN ALBERT FOR BEACON FIRES OF KILTIES

Trestle being Built on Shepody Mountain 1,000 Feet High—Given its Name by Jacques Cartier.

Hopewell Hill, Sept. 12.—Miss Ada Calhoun, after spending a week in St. John, returned to take up her studies for the coming term at the public school here.

The trestle for the signal light in connection with Lieut.-Colonel Guthrie's scheme to secure recruits for the Kilties battalion is in course of erection on the highest peak in our county, (1,000 feet), Shepody Mountain, the mountain named by the early explorer, Jacques Cartier, when coming up the bay "Chapeau Dieu," when he saw the peak enveloped in fog.

Rev. W. D. Wilson, field secretary of the New Brunswick branch of the Dominion Alliance, occupied the pulpit of the Baptist church on Sunday afternoon. His address was much appreciated by those interested in the temperance movement. He gave many reasons for the repealing of the Scott Act and adopting prohibition.

Preparations are being made musically for rally day service on Oct. 10. Mrs. A. W. Bray went to Moncton on Monday for the week.

Mrs. John L. Peck and daughter, Miss Flora, are spending a week in Kentville, guests of Mr. and Mrs. Rupert Parker.

Dr. John T. Lewis, of Hillsborough, has offered his services for overseas and is now in Halifax taking the medical course. Dr. John is a great favorite in the county and has a large practice but as the need of doctors at the front is so urgent he felt it his duty to enlist. One son, Wentworth, is a lieutenant, "Somewhere in France."

Mrs. W. K. Gross and children, of Moncton, and guest, Miss Louise Estey of St. John, who spent two weeks here, have returned to their homes. Benjamin Pales returned to Dorchester yesterday to resume work in the copper mines, having spent several weeks home on account of injuries received while at work there.

## CHEERFUL LETTER FROM WOUNDED NORTH SHORE SOLDIER

Pte. Jos. Drummond, Wounded at Ypres, writes Letter to his Parents in North Esk.

Newcastle, Sept. 13.—Private Joseph Ernest Drummond, of Chaplin Road, Parish of North Esk, who was wounded in Belgium and sent to Nottingham Hospital, writes to his father, Mr. Hugh Drummond in part as follows:

Nottingham General Hospital, Hut 1, Sept. 1, 1916.

My Dear Father:—Just a line to let you know I am still on top, and doing well. As you readily can see I am "Somewhere in England." Came on a hospital ship to Dover, then on hospital train to London, and then here. Landed here at eleven o'clock at night. There was a large crowd at the station and we were cheered and cheered as we were carried on stretchers by the Ambulance Corps. Soldiers here consist of all Imperial regiments and Colonials—Australians, New Zealanders, South Africans and Canadians. I understand I'll be sent back to London when I'm ready for the convalescent home. I wish I had been in London or Shorncliffe instead of here, as I could have seen Clifford. But you never know in the army where they are going to land a fellow.

I'm still confined to bed. Doctor says my left lung is still filled with clotted blood. They said they would take another X ray here. I had one in France. I guess it was a good job. It did not go through or I would have bled to death, passed near my heart.

Now I'll likely be here for a while, so you can send mail here.

I suppose my mail has gone to the trenches now. I wrote yesterday telling them where I was located so it could be forwarded to me.

I was told you were wired, stating I was in the casualty list and I suppose I am in the casualty list now.

I've got pretty thin these days. There is a fellow across from me from Nova Scotia with his 'leg blown off. I expect you are busy with harvest.

You see I have to put stamps on my letters now.

Did you get the silk handkerchiefs? I was wounded at Ypres, Belgium.

Hope you get this and I expect to hear from you soon.

Love to all,

Your son

ERNEST

MARRIAGES.
