ROASTED IN AROOSTOOK**Famous Potato Region Has Lost \$1,000,000 in Fires This
Season—Two Costly Blazes Near Presque Isle this
Week Destroyed Property Worth Quarter of Million.**Special To The Standard.**

Woodstock, Feb. 15.—Potato blight, powdery scabs, frost, high fertilizer and car shortages are not the only things the growers and handlers of the tubers in Aroostook have to contend with, although during the past season they have made a mint of money with spuds selling as high as \$5.50 per barrel. Fires this season have destroyed more than \$1,000,000 worth of potatoes and warehouse property in that county, within 50 miles of Woodstock. Only this week \$250,000 loss was caused by two fires.

30,000 Barrels Burned.

The first fire of the week was at State Road Siding, eight miles from Presque Isle, where 30,000 barrels of

potatoes, five carloads of pressed hay, a large amount of fertilizer, 12 box cars and six houses were burned, at a loss of \$200,000.

T. F. Phair, Port Fairfield; E. W. Pernald, M. C. C. Smith, Presque Isle; Milton Smith, Mapleton; P. E. Craig, Presque Isle; Manzer Jones and the John Grover Co. were among the losers. The insurance is about \$150,000.

A \$50,000 Fire.

Later four potato houses at Maysville, between Presque Isle and Carleton, were destroyed together with 8,300 barrels of potatoes and a box car. L. D. Craig, Libby & Hackett, Aroostook Warehouse Co., B. F. Giberson, E. A. Kierstead and Newson & McLeod divide the total loss of \$50,000.

**THE MURRAY GOVERNMENT
WILL GIVE N. B. THE
BEST ROADS IN CANADA**

The old government was turned out of power in 1908, after they had depleted the public treasury and neglected the public services in a shameful manner. The roads and bridges were in a deplorable condition, and during the first year of the Hazen Government more than eighteen hundred bridges had to be repaired.

Having put the bridges in splendid repair, this government will now be able to make as good a job of the roads of the province as they have already done very well with the roads, considering the tremendous amount of money that had to be spent on the bridges; but under Hon. S. F. Smith's road policy New Brunswick will soon have roads equal to the best of any province in the Dominion.

MARRIAGES**Knowlton-McGivern.**

In the presence of a large number of guests, a military wedding of much interest was solemnized at one o'clock yesterday afternoon in Trinity church, when the Rev. Thomas Parker, of Norton, united in marriage Miss Annie McGivern, daughter of Mr. James S. McGivern, 142 Princess street, to First Lieut. Charles D. Knowlton, formerly of the 26th Battalion, now officer in charge of the machine gun section, Military District No. 6. The bride was given away by her father, and she was attended by Miss Grace Humphrey, Lieut. Godfrey Mowatt supported the groom. Captain F. F. May and Lieut. Walter March, both of the 26th, acted as ushers. All the officers appeared in uniform. Immediately after the ceremony the happy couple left for the railway depot to entrain on their honeymoon through the province. The bride was the recipient of many useful and beautiful gifts. Mr. and Mrs. Knowlton will reside in Halifax.

Ashe-Carton.

In St. Peter's church, at six o'clock yesterday morning, Rev. John Coghlan, C. S. R., with Nuptial Mass, united in marriage Miss Elizabeth Carton, daughter of the late James and Mary Carton, of Fredericton, to William J. Ashe, formerly of Halifax. The bride was attended by her sister, Miss Mabel. The groom was supported by Charles Gillis. After the

**A CHILD DOESN'T
LAUGH AND PLAY
IF CONSTIPATED**If peevish, feverish and sick,
give "California Syrup
of Figs."

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign his little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system and your little child is happy and healthy again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."

ceremony the happy couple left for the home of the bride's aunt, Mrs. Thomas Connolly, 69 Elm street, where the wedding breakfast was served.

**IF SUBJECT TO COLDS
HERE IS GOOD ADVICE.**

Don't load your stomach with cough syrups. Send healing medication through the nostrils—send it into the passages that are subject to colds and catarrh. Easy to do this with "Catarrh-ozone" which cures a cold in ten minutes. Even to the lungs goes the healing vapor of Catarrh-ozone—all through the bronchial tubes—nostrils and air passages—everywhere a trace of disease remains will Catarrh-ozone follow. You'll not have colds, nor will you suffer from sniffles, bronchitis or throat trouble if Catarrh-ozone is used. Get it today but beware of dangerous substitutes meant to deceive you for genuine Catarrh-ozone. All dealers sell Catarrh-ozone, large size, two months' treatment, costs \$1.00; small size, 50c; sample size, 25c.

Petrograd, Feb. 15.—A wolf hunt in which both Russian and German soldiers joined, is described in correspondence from the Polish front. Parties of Russian and German scouts met recently and were hotly engaged in a skirmish when a large pack of wolves dashed on the scene and attacked the wounded.

Hostilities were at once suspended and Germans and Russians instinctively attacked the pack, killing about fifty of the wolves. After the hunt the soldiers separated, each party returning unmolested to its own lines.

**WANT RAILROAD BUILT
TO NEW BRUNSWICK**

Houlton, Me., Feb. 15.—Houlton will strenuously oppose the granting of a charter to the Maine Central Railroad to construct a railroad from Bancroft to the eastern boundary between Maine and Canada. Every effort will be made to again renew the charter of the Eastern Maine Railroad rather than allow the Maine Central to be given the right to build. The Eastern Maine Railroad's prospects never looked brighter for building and every indication points to actual construction in the spring. It is expected that the entire Aroostook delegation in the legislature will line up against the Maine Central and be in favor of granting the Eastern Maine Railroad an extension of their charter.
